AUSTRIANS ARE REQUIRED TO SIGN TREATY

CURRIE RODE AT HEAD OF DOMINION TROOPS IN PARADE IN LONDON

Man Who Had Led in Battle Chose to Appear With Veterans of His Army; Commanders of Other Dominions Rode With Haig

London, July 21.—Canada was represented in the great victory and peace celebration procession here on Saturday and the Dominion contingent of about 200 men, drawn mainly from Witley Camp, was led by Lieut.-Gen. Sir Arthur Currie, who had led the forces of Canada in the field, and Lieut.-Gen. Turner, who has been in command of the Canadian troops in the United Kingdom. The Canadian contingent was first of the Overseas Dominion forces and received a very hearty reception along the entire route. Generals Currie and Turner, with other generals, subsequently had luncheon with the King.

It was noted that whereas all military bodies except the Imperial home forces went by in alphabetical order, the Canadians were at the head of the forces of the Overseas Dominions.

Another feature of the Canadian representation was that while the Australian, South African and New Zealand contingents rode in the immediate vicinity of Field-Marshal Haig, Generals Currie and Turner rode at the head of their own men, riding abreast, Gen. Turner on the right and Gen. Currie on the left. Generals Currie and Turner were quickly recognized by the crowds, who accorded them and their men a whole-hearted cordial reception.

Maj.-General Macbrien and Colonel Morrison marched with the troops. The Australians followed with a drum-major and band. Then came the New Zealand and South Africa troops, these having also nursing detachments with them.

Leaders Cheered.

In the general procession, Field-Marshal Haig and Marshal Foch and Admiral Beatty and their men received the heartiest plaudits, but the enthusiasm for the Serbians, Belgians and Roumanians was scarcely less vociferous. The single row of chaplains who marched also had a great welcome. There was some groaning in fun when the military band played the Canadian air, which was included in the music by the brigade massed bands of the Guards outside the saluting point at the Palace.

Bonfires.

The celebration in the United Kingdom continued at night, when there blazed from hills and mountain tops the flare of fires kindled in honor of the return of peace. In Dover there was a grand illumination, the Admiralty turning over to the committee there a large number of flares invented by Commander Brock, who was killed at Zeebrugge, who was killed at Zeebrugge, who was killed at Zeebrugge.

NEARLY 5,500 ON STRIKE IN MONTREAL

2,000 More May Quit Work; T. H. Dunn, Winnipeg, Spoke in Ottawa

Montreal, July 21.—The local labor situation is again assuming a troubled aspect. The week opened with workers in seven trades to the number of nearly 5,500 on strike, and with the threat of 2,000 more going out this afternoon if the employers should fail to agree to terms with the men. The workers on strike are as follows: 4,500 textile workers, 2,500 cigar-makers, 200 blacksmiths and horse-shoers, 200 bakers, 200 wire workers, 50 electricians and 50 fur dyers and dressers.

A Winnipeg's Statements.
Ottawa, July 21.—"We call Gideon Robertson, so-called Minister of Labor, the chief strikebreaker of Canada," declared T. H. Dunn, of Winnipeg, in the course of an address in the Regent Theatre last night on "The Part of the Returned Soldier in the Winnipeg Strike," under the auspices of the Ottawa People's Freedom League. This view was widely shared by the audience, judging from the applause which followed.

Mr. Dunn was one of the returned soldiers' strike committee in the recent Winnipeg dispute, and told of the share the returned men had taken in the fight. He said that ninety per cent. of the returned men were behind the strikers, and that the issues were not dead.

"The fight has only begun," he said. "The issues are not dead, and we are not licked yet."

Trial by Jury.

A resolution was adopted demanding a trial by jury for the Winnipeg men arrested on charges of seditious conspiracy.

Mr. Dunn said that in view of his Winnipeg experience the One Big Union idea was the best thing for the workers.

PUPILS WHO PASSED THE MATRICULATION

George William Allan Leads Victoria Students in B. C. University Examinations

The following are the results of the June examinations held in the High Schools of the Province as announced by the Department of Education:

Of the 1,346 candidates who presented themselves for examination 996 passed in all subjects and 298 were granted university supplemental examinations.

The names of the winners of His Excellency the Governor-General's Silver Medal are as follows:

William Ernest Philpott, Nanaimo High School.
Miss Elizabeth Mackenzie, Nelson High School.
Pauline Florence Blackmore, Duke of Connaught High School, New Westminster.

Phyllis Isabel Mackay, King George High School, Vancouver.
Ursula Edwards, Victoria High School.

The winners of the Royal Institution Scholarships awarded by the University of British Columbia in the results of the Junior Matriculation Examination are as follows:

Scholarship of \$150 awarded to the student receiving highest standing in the Province:

Gebfroy Blundell Riddehough, Penitence High School.
Scholarships of \$100 each awarded to the students receiving highest standing in their respective districts:

District I. George William Allan, Victoria High School.
District II. Marjory Emma Bell, North Vancouver High School.

District III. Phyllis Isabel Mackay, King George High School, Vancouver.
District IV. Ralph Hull, South Vancouver High School.

District V. John Carman Wilcox, Salmon Arm High School.
District VI. Not awarded.

Of the candidates writing the Third Class Non-Professional Examination, Annie Dolphin Harrison, of Belmont (Langley) High School, stands first with a total of 717 marks out of 800.

Janet Thompson Carrie, of Nelson High School, with 554 out of a maximum of 1,100 marks, heads the list of Intermediate Grade candidates, while Annie Marie Wall, also of Nelson High School, leads the Senior Grade, having obtained 515 marks out of a total of 1,100.

By Grades the division is as follows:

	Number of Candidates	Number Passed	Percentage
Third Class, non-professional	184	169	91.8
Agriculture only	43	41	95.3
Intermediate grade 142	142	120	84.5
Third Year Commercial	12	11	91.6
Third Year Technical	7	6	85.7
Senior Grade Academic	30	26	86.6
Grade	5	4	80.0
Education only	22	22	100.0
Junior Matriculation	865	502	58.0
Senior Matriculation	27	14	51.8
Total	1,346	996	73.9

(Concluded on page 4.)

LIVERPOOL SAILINGS MAY BE HELD UP

London, July 21.—There is another strike amongst a small section of the Mersey-side workers. It prolonged it will delay ocean sailings.

RODE WITH CANADIANS IN LONDON PARADE; GEN. CURRIE

NEW REIGN OF TERROR IN CITY OF BUDAPEST REPORTED

Berlin, July 20.—Via London, July 21.—(Associated Press).—A new reign of terror exists in Budapest, according to a dispatch from the Hungarian capital to The Tageblatt, and "Red terror" in its worst form is anticipated.

The dispatch says so-called "terror troops" are now masters of the capital, having stormed the garrison, disarmed the troops of the Bela Kun Government and distributed arms to "the ragged proletariat."

A British Convoy Taken by Afghans in Renewed Fighting

Simla, July 20.—Via London, July 21.—The Afghans resumed their attacks in strong force at various places in the Khyber region on July 16. It is estimated that 4,000 attacked a British convoy moving from Lakabanda. After fighting throughout the night, the Afghans captured the convoy and two guns. Four British officers were killed and two wounded. There were about 100 casualties among the Indian ranks. When they saw all the British officers virtually casualties, the native fighters bolted.

\$25,000 JUDGMENT AGAINST LONDON MAIL

London, July 21.—(Reuters).—At a special July court sitting, Lord Chief Justice Reading, presiding; Lord Newton, formerly in charge of the Prisoners of War Department of the Foreign Office, was awarded \$25,000 against The Daily Mail, which accused him of sneering at the sufferings of British prisoners in Germany and being guilty of heartlessness and want of sympathy.

The plaintiff's witnesses included Lord Robert Cecil, Mr. Justice Young and the Archbishop of Canterbury.

HAMILTON VETERANS SHOUT FOR BEER

Hamilton, Ont., July 21.—The principal feature of the Victory Day celebration here was a parade by veterans. About 2,000 of them assembled at the Armories, and headed by Colonel John I. McLaren, marched to Dundurn Park, where addresses were delivered by Mayor Booker, Colonel John I. McLaren and others.

Each speaker was greeted with the cry from the soldiers: "We want our beer."

DR. NICHOLAS BEREND KILLED IN BUDAPEST

London, July 21.—Dr. Nicholas Berend, widely known as an authority on children's diseases and member of the University of Budapest faculty, was killed during the last attempt to overthrow the Soviet Government in Budapest, according to Vienna dispatches received by the Central News correspondent at Copenhagen.

CURRIE TO SAIL FROM BRITAIN FOR CANADA AUGUST 1

London, July 21.—Lieut.-Gen. Sir Arthur Currie will sail for Canada on August 1. Lieut.-Gen. Turner will sail about a week later.

CORP. KONOWAHL, V.C. HELD BY POLICE

Hero of 47th Battalion Admits He Killed Austrian in Hull

Ottawa, July 21.—Bill Artick, said to be an Austrian, who lived in Hull, was killed about 6 o'clock last evening by a knife wound in the chest inflicted by Corporal Philip Konowahl, V.C., of the 47th Battalion, who won fame fighting with the 47th Battalion in France.

Konowahl, who had led the peace parade here on Saturday, was arrested and charged with murder. Six men, three of whom are Austrians, are held as witnesses in the case.

To Constable Cole, who arrested him, Konowahl said: "I've killed fifty-two, that makes the fifty-third."

Konowahl was found to be suffering from serious knife wounds in the hand and wrist, which he endeavored to wash after the killing without making any attempt to get away from the scene of the event, where a large crowd had gathered. According to his story, the blow was struck in self-defense, but as he was the only one of the party, including Artick's family, who spoke English, it was hard for the police to get both sides of the case.

A Call for Help.
According to what information could be gleaned after the affair, Konowahl and a friend named Diederik went to Hull, where Diederik had said he was to meet Artick to see some bicycles he had for sale. Diederik, according to Konowahl, went into a building, he remaining outside. There was a call for help from Diederik and Konowahl rushed inside, to find himself attacked with a knife by Artick, from whom he grabbed the knife—a long butcher's knife—and plunged it into the breast of his assailant. The wound he inflicted was a severe one in the heart and the victim died immediately.

Constable Cole first took Konowahl to a hospital, where his wounds were dressed, and later he was taken to jail.

Corporal Konowahl, who is of Russian birth, saw service in France and earlier returning to Canada went to Siberia with the Canadian force.

VICTORY FETE AT COUCY-LE-CHATEAU

Paris, July 21.—A victory fete was held at Coucy-le-Chateau on the old Hindenburg Line for thousands of refugees who were unable to participate in the celebration in Paris. After a parade, games and dancing were provided for the refugees, who had been transported from a wide area by special trains and motor buses.

PLANE FLEW ACROSS THE MEDITERRANEAN

Paris, July 20.—Capt. Morchal, an aviator who tried to fly from France to Russia during the war, but was obliged to land in the Austrian lines, yesterday flew in a hydroaeroplane from St. Raphael across the Mediterranean to Bizerta, Tunis.

Capt. Morchal covered the distance of about 450 miles in five hours and forty minutes.

OTTAWA AGAIN HAS STREET CAR SERVICE

Ottawa, July 21.—The chief feature of Ottawa's Peace Day was the return of the full street car service, the striking street carmen going back to work Saturday morning and providing a boon for the holiday. There were band concerts on the Parliament Hill and in various parks in the afternoon and in the evening there was a procession and a display of fireworks.

REV. A. M. MILLER DIES IN VANCOUVER

Vancouver, July 21.—Rev. A. M. Miller, pastor of Ferris Road Methodist Church, South Vancouver, and president of the British Columbia Conference of the Methodist Church, died suddenly Saturday night of heart failure. The late Mr. Miller was born in Bruce County, Ontario, and was in his fifty-ninth year.

GERMANY FINED \$200,000 FOR KILLING OF FRENCHMAN

Paris, July 21.—"Berlin must pay," and similar headlines in the newspapers here indicate the feeling that has been aroused in France by the news that Germany is not inclined to pay the fine of 1,000,000 francs assessed for the killing of a French sergeant by Germans at Mannheim.

The newspapers point out that a state of war with Germany will exist until the peace treaty is ratified and that until then Marshal Foch is in command and he must be obeyed.

ALLIES' TERMS LEAVE AUSTRIA WITH ARMY OF ONLY 30,000 MEN

Full Text of Treaty Now in Austrians' Hands; Reparation Commission Is to Notify Austria of Extent of Her Liability

Paris, July 21.—The full peace conditions of the Allied and Associated Powers are now in the hands of the Austrians. The first sections of the terms were presented to the Austrian delegates at St. Germain on June 2, and the final sections were delivered to them at the same place on Saturday without ceremony by M. Dutasta, Secretary-General of the Peace Conference.

In an accompanying memorandum, the Austrians are granted fifteen days in which to make their final observance, although they have already submitted a large number of notes on the terms previously submitted to them.

In addition to the published summary of the terms of June 2, the new clauses provide for reparation arrangements similar to those of the treaty with Germany, including the establishment of an Austrian sub-section to the reparation clause, the payment of a reasonable sum in cash, the issuing of bonds and the delivery of livestock and certain historical and art documents. The financial terms provide that the Austrian pre-war debt shall be apportioned among the various former parts of Austria and that the Austrian currency and war bonds circulated in the separate territory shall be taken up by the new Governments and redeemed as they see fit.

Army of 30,000.

Under the military terms the Austrian army is henceforth reduced to 30,000 men on a purely voluntary basis.

Within three months the Austrian military forces shall be reduced to 30,000, universal military service abolished and voluntary enlistment substituted.

Long Terms
The army shall be used exclusively for the maintenance of internal order and control of frontiers. All officers must be regulars, those of the present army to be retained being under the obligation to serve until forty years old; those newly appointed agreeing to at least twenty consecutive years of active service. Non-commissioned officers and privates must enlist for not less than twelve consecutive years, including at least six years with the colors.

Armaments
Within three months the armament of the Austrian army must be reduced according to detailed schedules, and all surplus surrendered. The manufacture of all materials under the control of the state, and other such establishments shall be closed down or converted. Importation and exportation of arms, munitions and war materials of all kinds is forbidden.

Paragraph eight, dealing with reparation, says the Allied and Associated Governments affirm and Austria accepts the responsibility of Austria and her allies for causing loss and damage to which the Allied and Associated Governments or their nationals have been subjected as a consequence of the war imposed on them.

QUEBEC VISITED BY ELECTRICAL STORM

Nun Killed When Chimney at
 Hospital Was Blown
 Down

Quebec, July 21.—One of the most violent electrical storms that ever visited this district swept over the city Friday night, causing much damage to property and tying up public services for a considerable time.

The heaviest damage reported was caused at Beauport Asylum, just outside the city limits. A large chimney, 150 feet high, was struck by lightning and it crashed down through the building occupied by female inmates and cleaved it almost in two. The inmates at the time were in another part of the building but Sister St. Prudence, who happened to be in the building when the crash occurred, was instantly killed.

As a result of the collapse, the part of the building which was used for dormitories and the chapel, as well as the grounds, suffered heavy damage and the loss is estimated at many thousands of dollars.

Not a half-mile distant from the asylum another large chimney connected with the Borne Leather Factory, also was struck and collapsed, while a barn nearby was overturned by the wind.

At Loretteville, the lightning struck a church, destroying the organ and causing damage estimated at about \$10,000. The Kent House at Montmorency Falls also was struck and damaged.

GRAIN GROWERS OF MANITOBA ARE IN POLITICAL FIELD

Winnipeg, July 21.—There is unbounded enthusiasm for independent political action among the members of the Grain Growers' Association of Manitoba, coupled with unwavering loyalty to the farmers' platform, according to W. R. Wood, M. P. P., secretary of the organization. Mr. Wood has just returned from conducting a canvassing campaign and a series of district meetings throughout the province, and expressing himself as very well satisfied with the results.

MUNSON COULD WORK FOR OVER A YEAR, HE DECLARES

Gains Eighteen Pounds by
 Tanlac and Is Well and
 Strong Again

"I have gained eighteen pounds since I commenced taking Tanlac, and never felt better in my life than I do now," said Alex. Munson, who, before his health failed, was a valued employee of the Foundation Ship Building Co. and lives at 1134 Michigan Avenue, Portland, Ore., the other day.

"When I began taking Tanlac," he continued, "I hadn't been able to hit a lick of work for over a year, and I had been suffering severely from stomach trouble for about four years. It seemed to me that I had made every possible effort to overcome this trouble, but my condition gradually grew worse, and about a year ago I reached the point where I had to give up my work altogether. Everything I ate disagreed with me, and for two or three hours after meals I would be all bloated up with gas, and would have the worst cramping pains in the pit of my stomach a man ever had. Then, this gas would often get up into my chest and make my heart palpitate something awful, and it would be almost impossible for me to get a good breath. I also suffered from constipation and often had splitting headaches. I was very nervous all the time, and never got a good night's sleep. These troubles just continued to pull me down until I got so weak and run down that when I went to walk my legs would just give right down under me.

"The money I had spent for medicine and treatments might just as well have been thrown in the Columbia River so far as the good I got from it, but I thought I would keep on trying, and that is why I gave Tanlac a trial when it came along. Well, sir, before I had finished my first bottle of Tanlac, I could see that I had struck it right at last, and I was right, too, for Tanlac certainly did just what they said it would do, and I am now a well, strong man again. My stomach troubles have all disappeared, and I am never bothered with gas forming, and I don't have those awful cramping spells any more. I have such a fine appetite that I can hardly get enough to eat, and everything I eat agrees with me all right. I have regained all my lost weight and strength, and am now getting ready to go back to work. Now, that is what Tanlac has done for me, and I think that is saying a whole lot for this wonderful medicine."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas—Adv.

PRIZE LIST FOR ANNUAL FAIR AT DUNCAN GROWING

Duncan, July 21.—W. Waldon, secretary of the Cowichan Agricultural Society, reports that the donations to the prize list already amount to a fair sum. A special prize of \$100 from the Holstein Friesian Association of Canada, has been received; also \$50 from the Municipality of North Cowichan, \$25 from Hon. John Hart, \$25 from J. C. McIntosh, M.P., and very substantial donations locally from the Genoa Bay Lumber Co. J. C. V. Spratt, president of the Society; H. W. Bevan and G. Corfield. The Consolidated School Board is giving \$50 to the general children's section provided other school boards give in proportion. Failing this the consolidated board wishes the prize money given to the children under its jurisdiction. Already one or two of the small schools outside the municipality have put up their share.

The classes in the Better Babies' contest have been increased and now number eight classes for boys and girls under six months, over six months and under twelve months, over twelve months and under twenty-four months and champion boy or girl. A strong committee will be in charge of this feature of the show to assist, Mrs. V. S. MacLachlan, Miss Wilkinson, Mrs. Whitmore, Mrs. Hird, Mrs. Elkington, Mrs. F. Price and Miss Wilson being members. Dr. Price, of Victoria, will judge the babies.

The Great War Veterans' Association will hold a re-union of all soldiers and sailors and their friends at the Recreation Grounds, near the Labor Day. The Agricultural Hall will be taken over for a dance in the evening.

NO INCOME TAX ON WAR GRATUITIES

Ottawa, July 21.—The Government has received a cable from the Acting High Commissioner in London to the effect that provision is being made in the finance bill now in committee stage before the British House of Commons for the exemption from income tax of gratuities being paid in respect of war service as from the outbreak of the war. Provision also will be made for the refund of any such income taxes already collected.

The matter was taken up at the request of the Great War Veterans' Advisory Committee of the Reparation Committee, which called the attention of the Government to the unfairness of the imposition of an income tax by the British authorities on Canadians serving in the Imperial Army and other branches of the Imperial army.

BAD FOREST FIRES IN NELSON REGION

Nelson, B. C., July 21.—A forest cruiser who has arrived in this city is of the opinion that at least fifteen square miles of merchantable timber was burned over this district by forest fires last week. Several fires are still burning in various sections of interior British Columbia.

CHARLES JONNART TO JOIN FRENCH CABINET

Paris, July 21.—It is stated in the lobby of the Chamber of Deputies that Albert F. Lebrun, Minister of the Liberated Regions, will be succeeded by Senator Charles Jonnart, now Governor of Algeria, Lebrun taking Jonnart's place.

CITIES CELEBRATED VICTORY AND PEACE

Places in This Province Joined
 With Rest of
 Canada

Nelson, B. C., July 21.—Fitting peace celebrations were held in the smaller towns and cities of Southwestern British Columbia Saturday. The city of Nelson did not have a formal celebration as it was felt that it was not right for the Queen City of the Interior to monopolize every holiday, and as a result hundreds of persons went by automobile, train and boat to Trail, Slooan City, Kaslo and Creston and several smaller points.

The weather was ideal for the holiday. The sky was slightly overcast with a few clouds and smoke from forest fires in the mountains.

The principal celebration was held at Trail. The amateur city was a centre for thousands from all parts of the Interior.

The Slooan City celebration was somewhat interesting by the recent fires which threatened to wipe out the town. Nakusp, on the Arrow Lakes, held a celebration for that district. Kaslo, near the north of Kootenay Lake, and Creston, the principal town in the Creston valley at the south end of the big lake, entertained big crowds.

Further east both Cranbrook and Fernie had special programmes.

At Calgary.

Calgary, July 21.—Calgary citizens to the number of many thousands celebrated peace day with a fervent spirit of gratitude. In impressive services held in the Armories, presided over by Acting Mayor McCoubrey and Lieutenant Governor Brett, The Lieutenant Governor urged the people not to demolish their patriotism now that the war was over and peace consummated, but to remember the traditions of the Empire, and see that the nation continued along the same glorious paths which it had hitherto trod.

Bishop Pinkham, of Calgary, and Brig.-Gen. McDonald were other speakers. A huge massed choir led in the hymns and patriotic songs, assisted by a large orchestra. Brig.-Gen. McDonald's speech was particularly impressive, punctuated as it was just at noon, by the booming of the cannon outside the walls of the Armories, a salute of twenty-one big guns being fired.

The 31st and 10th Battalions, Calgary's fighting units, deposited their colors in the pro-cathedral and Knox Church, respectively, following the service at the Armories.

The afternoon and evening were given over to jollification, special programmes being provided for the several thousand children who packed St. George's Island and Bowness Park.

The veterans celebrated with a huge basket picnic and sports. In the evening a dance on the pavement and a big bonfire concluded the events.

At Edmonton.

Edmonton, July 21.—Saturday, the occasion of celebrating the signing of peace, proved to be a live day of successful events, both in this city and surrounding resorts, despite a few showers of rain, which failed to interfere with the holiday-makers. In the city a full variety of athletic events was run off in splendid style during the forenoon and afternoon and in the evening a street dance, supported by a local band, was the attraction. Special trains were operated to and from the lakes and were burdened with the usual holiday traffic.

At Saskatoon.

Saskatoon, July 21.—From 10 o'clock Saturday morning until well into Sunday morning the citizens of Saskatoon, aided by several thousand visitors from outside points, celebrated peace in a joyful spirit. The chief item was a parade of returned soldiers, nurses, school children and decorated cars and floats which went to the City Park, where Sousa's Band played several patriotic numbers and the children sang a number of hymns.

Late at night the returned soldiers paraded the streets and raided several restaurants, several hundreds of dollars' damage being done.

At Regina.

Regina, July 21.—Regina cut loose for once in its history Saturday, when everyone in town from grandfathers down to babies turned out on the streets and took part in the celebration, which began at dawn and lasted far into the night.

Four thousand persons paid admission to a ball game in the morning and the afternoon 12,000 assembled for the sports, most of them coming in a parade which stretched for more than two miles and included many decorated cars, trucks and floats. At night an enormous crowd packed the principal streets, where two bands and several mechanical orchestras played dance music while thousands tripped on the pavement and streets until a fireworks display in Victoria Park diverted the attention of the dancers. By midnight the crowd had gone home but for several hours groups of men drove around the city in cars, but did no harm to anyone or anything. There were no accidents, no looting and particularly no drunkenness or rough incidents.

TWO KILLED AT NEW WESTMINSTER

Vancouver, July 21.—Miss Olga Freeman, aged twenty-six, of Roseland, and Sergeant John Elmer, aged twenty-seven, lately returned from overseas, where he served with the American army, are dead as the result of a collision between a motor car they were driving in and a telephone pole at the top of a steep hill at New Westminster early yesterday morning. Elmer, who was driving, was killed instantly. Miss Freeman died later in the New Westminster Hospital.

Witnesses of the accident state that

PLANS FOR RHINE ARMY CHANGED

Allied Council Considers Division of Task Among Several Powers

Paris, July 21.—The problem of the force of occupation in the Rhineland provinces arising from the withdrawal of a majority of the British and American forces was considered by the Supreme Council of the Peace Conference on Saturday. The question of principles involved was settled. Marshal Foch's plan may serve as a basis of settlement of the exact number of effectives and the proportion of the force to be provided by each of the Allied Powers.

The Council received a protest from the Sheik of Aldin, Asia Minor, concerning atrocities which the Greeks are alleged to have committed upon Turks in the neighborhood of that city when they landed there. It was decided to send a mission of experts to investigate the charge.

Ex-Kaiser.

It was stated after the meeting that the Council had taken no action concerning punishment of the former Kaiser of Germany, and had not even considered the report from the Commission on Responsibilities, which does not favor the Peace Conference allowing Field Marshal von Hindenburg or any one else to be substituted for the former monarch.

The Council appeared to be firm in the conviction which is held by the military officials of the Entente Powers that Wilhelm Hohenzollern must be punished, as it would be impossible to secure the punishment of military, naval and civil officials in Germany who are charged with atrocities, if the former Kaiser should be exempted.

SIX STORES IN CALGARY RAIDED; BY MOBS; NO ARRESTS

Calgary, July 21.—Mobs raided six stores here Friday night and early Saturday morning, doing considerable damage. A second-hand jewelry window was cleaned out, and several Chinese stores and others cleared of their stocks of fireworks and smokes. No arrests were made.

RAILWAY STRIKE IN ENGLAND SETTLED.

London, July 21.—The strike of engineers, signmen and other employees on the Northeastern Railway System, which began last week, was settled yesterday after negotiations between the company and the men. Although the strike committee repudiated the terms of the agreement, it is evident that the majority of the strikers will accept it.

"I ADVISE EVERY SICK WOMAN

To Try Lydia E. Pinkham's Vegetable Compound."

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if any write to me I will answer all letters."

Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is no interested friend to advise, let this be a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years.

If any complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.

TWO CONSTABLES KILLED MURDERER

German Resisted Officers Near Nepigon, Ont.; His Accomplice Wounded

Port Arthur, Ont., July 21.—Police Constable Simmonds and Special Constable George Burns last evening shot and instantly killed one of two men alleged to have murdered George Armstrong, town constable at Nepigon, who was found dead by the side of the railway track about a mile east of Nepigon Station on Friday evening and wounded the other after a running fight with the fugitives in which revolver and rifle shots were exchanged.

The dead man, who is believed to have been a German, fired four shots at the advancing officers, but none took effect. The German, whose name is as yet unknown, was mortally wounded in the left breast, while other shots lacerated the body.

The man who escaped is believed to be wounded and his arrest is expected hourly.

A report of the killing of Armstrong received here said that two foreigners, at first thought to be Bulgarians, had broken into a storehouse and stolen a quantity of supplies, including guns. The constable went in search of them, and while walking along the railway track was shot from the cliffs bordering the track, supposedly by the men he had been seeking to arrest.

NEWS OF ISLAND

Nanaimo, July 21.—In presenting my report covering the doings of the Nanaimo branch of the Navy League of Canada, says the secretary, "for the period that has intervened between the annual general meeting held in March last and the present day, I can only express regret that there is so little to tell you. It is true that we have continued to make some headway with the ladies of the city, and the membership of our Boys' Naval Brigade now totals seventy-eight, about two-thirds of whom may be fairly said to be active members. That he to say that we have approximately fifty to fifty-five boys who attend drills more or less regularly, and who could be counted upon for co-operation in any line of endeavor. Up to the present we have received no assistance from outside sources towards the expenses of maintaining our boys' brigade, and in consequence we can hardly hope to have the members thereof in uniform for some considerable time to come. I have the assurance of the Minister of Militia, General Mewburn, and also of Mr. J. C. McIntosh, M.P., that we shall receive miniature rifles for the use of our brigade shortly."

Duncan, July 21.—George Elliott, Genoa Bay, has asked the Consolidated School Board that a school be established at the point. He will furnish a building and accommodation for the teacher. A formal application is being made to the superintendent of education to have this done, and Inspector Winsby stated he would support it.

Nanaimo, July 21.—E. B. Mayon, city editor of The World, Vancouver, who has visited Nanaimo on an automobile tour of the island, expressed his pleasure at the cordial welcome and offers of advice on routes accorded tourists by various energetic and public spirited citizens including J. F. Edge-Partridge, secretary of the Nanaimo Automobile Club.

Respecting the shipment of tourists' cars by boat to Nanaimo from Vancouver those in his party feel, he said, the providing by the shipping company of an elevator for the transfer of autos from boat to wharf would be a great impetus to tourist traffic from Vancouver to Nanaimo, and so eliminate the steep and difficult climb from the ship's deck to the top of the wharf at low tide.

RACETRACK BETTING.

Ottawa, July 21.—No modification has been made as yet in the Order-in-Council prohibiting racetrack betting, but representations have been made from time to time urging modification. Unless rescinded the Order-in-Council will remain in force till peace is formally proclaimed. This will follow ratification of the peace treaty.

BOMB NEARLY STRUCK PATHFINDER IN AIR

Aeroplane Had Narrow Escape While Flying Over City on Peace Night

Before the aeroplane Pathfinder No. 2 could hop off on Peace Night to give an illuminated exhibition in the skies, it was necessary for the Aerial League to carry out elaborate preparations, and also take numerous precautions against any eventuality. In the front cockpit two storage batteries weighing one hundred pounds were placed to furnish power for the many electric lights which were strung around the plane. Although the batteries were fastened as securely as possible to the frame-work it was deemed inadvisable to try any stunt.

At 9.55 o'clock the Pathfinder took off with Pilot Clemence flying alone. When the machine was turning up the large switch was closed, and the lights illuminated the whole of her frame. On sailing height and as darkness set in the plane appeared like a huge cross floating in the sky. Forty-six lights of six candle-power each were set along the leading edge of the lower plane and under the fuselage from nose to tail.

The Pathfinder reached the city at a height of about 1,500 feet, and she immediately attracted a great amount of attention from the thousands of people on the ground. The machine circled the city, and quite frequently came in for a bombardment from the many rockets and bombs which were shot from the inner harbor. Pilot Clemence took a great deal of interest in watching the flaming rockets come tearing towards him and bursting in an gorgeous array of brilliance directly beneath him.

Just Missed by Bomb.

Several of the bombs burst quite close to the Pathfinder, and as they flared up the whole of the crowd beneath was illuminated; and the pilot could quite plainly discern the faces of the people. While his attention was attracted towards the earth Pilot Clemence received a rude jolt as a heavy bomb whirled past him leaving a trail of fire. It had been shot with great force, and reached an altitude of over 1,500 feet. Almost directly above the Pathfinder the bomb burst and distributed its shower of golden light in order to prevent the blaze from

Treat the Baby

tailing on to the fabric of the plane, the pilot did a steep bank to clear.

After staying in the air for over an hour the Pathfinder landed at the Willows aerodrome, completing the first flight by night over this city.

SS. ROYAL GEORGE ARRIVES AT HALIFAX

Halifax, July 21.—The steamship Royal George docked here about yesterday afternoon with eighty-nine officers, fifty-one nursing sisters and 455 other ranks.

Of these, four officers and 189 other ranks were dispersed here, the remainder proceeding west within a few hours. There were only thirty civilian passengers.

The Royal George left Liverpool at 7 o'clock the morning of July 12 and had an uneventful trip. A large part of the troops were medical service men and men discharged from Canada.

dian General Hospital No. 6, Orpington.

Peace was celebrated on board on Saturday night by a concert.

The following British Columbia officers arrived: Lieut. A. Pollard, Victoria; Nursing Sister Rickison, Vancouver; Nursing Sister L. M. Kirk, Victoria.

London, July 21.—The SS. Winifred sailed for Halifax Friday with 110 officers and 1,893 troops aboard, namely: Eight officers and 25 others from London, 26 men from Huxton, 23 men from Witley, 22 officers and 767 men from Ripon, 67 officers and 792 men including the personnel of the Khaki College, Professors Underhill and Bunkley, of Toronto, and Professors Killam, Cameron and Macgibbon, of Edmonton.

The area of Canada under field crops has grown from 3,268 acres per 1,000 of the population in 1890 to 5,995 per 1,000 in 1917, as shown by Dominion census statistics.

CASTORIA For Infants and Children. In Use For Over 30 Years

Bears the Signature of *Chas. H. Fletcher*

Why These Loaves Are Different

PERHAPS you did not know that the size of your loaf—provided it is properly baked—depends upon the amount of gluten that the flour contains. The loaves illustrated here were both baked from the same quantity of different flours; only one contained the smaller, and the other the larger, quantity of gluten as shown in the inset.

ROYAL STANDARD FLOUR

Is "gluten tested," every bushel of wheat being examined in our laboratory, and only that containing the highest possible percentage used in its milling. That's why ROYAL STANDARD FLOUR is "quick rising," has the biggest "oven spring," is always uniform, and is the easiest to handle.

This is one reason how war flours are different, and why Royal Standard Flour makes the best bread. Milled in British Columbia. Sold by all grocers.

CANADA WAS THERE.

Canada was represented in the great peace parade in London after all. A contingent of 200 men, drawn chiefly from Witley Camp, and headed by Lieut. Generals Currie and Turner, led the Dominion section of the procession. This was quite satisfactory and no doubt was arranged without undue difficulty. But in the light of that sequel we wonder why Canadian Headquarters in London in the first instance declined the invitation of the parade authorities for Canada to be represented. We take no stock in the excuse that the refusal was necessitated by the progress of Canadian demobilization, for, obviously, it would not be difficult to organize a reasonably representative Canadian contingent in England in any case. Furthermore, the invitation was declined without General Currie being consulted and no doubt his announcement to that effect and his sharp comment upon the action of Canadian Headquarters were responsible for the change of plan. There never should have been any question regarding Canada's participation in the parade, for the omission of this Dominion from such a demonstration would have been glaringly unfortunate. The incident suggests that it is time Canada's overseas military administration was looked into.

FUND IS MOVING QUICKLY.

If the interest of a dozen or more municipalities in British Columbia may be taken as a guide many returned citizens are intent on possessing their own homes under the national housing scheme. According to the Minister of Lands the first instalment of the Province's allocation, amounting to \$750,000, already has been applied for under agreements so far concluded. Several other municipalities are about to complete their arrangements with the Province and absorb the balance of the fund.

The general popularity of the plan would appear to lie in the fact that the soldier may get, by easy stages, a stake in the community he has helped to defend. And the class of applicant for a share in this city's allotment indicates that the desire to own a home in Victoria is not a passing whim but the result of good judgment, the best guarantee against any possible loss.

It is too late in the day to attempt to reverse the policy under which the scheme has been launched, while the fact that some municipalities are pressing for an increased grant should serve to remind those cities which have not made their decision that the money cannot be held indefinitely for their convenience. It is hoped the City Council will decide at its meeting to-night to take the \$180,000 grant set aside for Victoria.

THE ONLY WAY.

Notwithstanding the impressive total raised in Great Britain's latest domestic loan, some of the London newspapers express dissatisfaction and indulge in gloomy forebodings because the response was not greater. For the most part the pessimists belong to the section of the press which is opposed to Mr. Lloyd George's Government, while The London Chronicle, which strongly supports the Government, is quite pleased with the result of the campaign. Whether the loan came up to expectations or not, the truth is that the various nations are nearing the end of these big internal issues and must begin soon to live within their incomes. There is a limit to the borrowing capacity of a nation, just as to that of an individual, and the continued strain of that capacity sends both to the same place. The United Kingdom this year is spending something like \$7,500,000,000 against an estimated revenue of about \$4,000,000,000. This makes a big deficit, but deficits are the order of the present time. Canada is spending about \$250,000,000 more than her anticipated revenue this year. Next year the two accounts will have to be brought closer together everywhere. Nobody has yet discovered a better way to maintain financial solvency than by keeping expenditure within the revenue.

INTERESTING FIGURES.

It has been said on more than one occasion that the returned man would look askance at an agricultural life after the horrors of the battlefield, that it would be impossible for him to get away from the memory of scenes without the diversion of city gaiety. Some ground for this view appeared to exist two years ago, but mainly because Canada lacked an adequate soldier-land policy, and not through any belief that the men who left the farm would be unable to return to it.

Figures just issued by the Department of Soldiers' Civil Re-establishment afford a striking commentary upon any suggestion that the agricultural industry of Canada would suffer permanently by the war. Of 273,444 members of the C. E. F. already demobilized no less than 87,771 returned their questionnaires with expressions of desire to follow agriculture or stock-raising as a future vocation. Out of that number 72,218 previously were engaged in the rural sciences, but

the total shows an increase of recruits for agriculture of 15,553, a gain that may be doubled very easily if the demobilization stage of Canada's remaining active service population is aided by still more progressive soldier-settlement plans. British Columbia has led the way in agricultural innovations and the duplication of the Courtenay Community scheme, not only in this Province but throughout the Dominion, should do much to populate the sparsely settled areas as well as ensure a greater measure of contentment during the reconstruction period.

WHAT MIGHT HAVE BEEN.

If all the inventions said to have been ready for use by the Allies about the time the armistice was signed had been turned on full blast, internal Germany would have had a spell of real war. For example, the uninitiated appreciates by this time the capabilities of British aircraft. Prior to her trip to the American continent the R-34 braved nearly every kind of weather and remained in the air for fifty-six hours, part of that time having been spent over German cities—including Berlin. Her magnificent behavior at the conclusion of her westward voyage indicates what could have been done to Berlin. Now comes the announcement that France had a long-range gun, with a firing radius of 100 miles, which would have out-distanced the German piece that sent its shells into Paris during the critical days of last summer. The British Navy was not behind in surprises as recent disclosures show. Germany apparently knew what was in store for her and sued for peace while the visible scars of war had been spared her.

MR. HANNINGTON RESIGNS.

The resignation of R. W. Hannington as City Solicitor will be greatly regretted, especially by those who have been associated with the work of Victoria's legal department. Mr. Hannington has given the city excellent service, discharging his important duties most ably and conscientiously. He leaves to fill a more lucrative post which in all probability will require him to reside in Vancouver, which, therefore, will gain from Victoria's loss. Mr. Hannington will have the best wishes of the community in his new activities.

TRIBUTE TO MEMBERS.

Indications point to a successful banquet to-morrow night in honor of Dr. S. F. Tolmie, M. P., and J. C. McIntosh, M. P., under the auspices of the Victoria Board of Trade. The function has been devised as a tribute to the services at Ottawa of the two members in the interests of the Vancouver Island and there will be, therefore, no lack of warmth or enthusiasm in connection with it.

An Eastern newspaper publishes a picture of the ex-German Crown Prince gazing over the wall of his garden, and wonders what thoughts are passing through his mind as he stares into the camera. Our contemporary should first give some proof that Frederick William Hohenzollern's mind is sufficiently porous to admit thoughts.

Ex-Grand Admiral von Tirpitz's book now being published in Germany goes after Dr. von Bethmann-Hollweg savagely, holding him responsible for the war and German foreign policy generally. But whatever Hollweg may have been responsible for, he lost his job because he opposed the unrestricted submarine warfare, advocated and ultimately carried into effect by von Tirpitz. A trial in which these two individuals confronted one another in the witness box would be mighty interesting.

A German newspaper publishes a letter purporting to have been written by William Hohenzollern on July 28, 1914, in which the then Kaiser stated that Austria's operations against Serbia need not go farther than the occupation of Belgrade and that with this achieved the Serbian reply to the Austrian ultimatum would be sufficient. But, alas for this attempt to buttress Hohenzollern, the record shows that Sir Edward Grey sought to restrict Austria's operations to the occupation of Belgrade after Francis Joseph had ordered his army to cross the Danube, and Germany fiercely objected. She, of course, was too intent upon marching to her place in the sun to listen to restrictions.

EMPLOYERS MUST RECOGNIZE LABOR EVOLUTION

(Montreal Journal of Commerce)

Human conscience, common sense and brotherhood, in the opinion of John D. Rockefeller, Jr., will solve the labor troubles of to-day.

"As the leaders of industry face this period of reconstruction," said Mr. Rockefeller in a talk to employers recently, "what will their attitude be? Will it be that the 'standpatters,' who ignore the extraordinary changes which have come over the face of the civilized world and have taken place in the minds of men, who, arming themselves to the teeth, attempt stubbornly to resist the inevitable and invite open warfare with the other parties in industry? And who say 'What has been and is must continue to be. With our backs to the wall we will fight it out along the old lines or go down in defeat.'"

"Those who take such an attitude are wilfully heedless of the fact that its certain outcome will be financial loss, general inconvenience and suffering, the development of bitterness and hatred, and, in the end, submission to far more drastic and radical conditions imposed by legislation, if not by force, than could now be amicably arrived at through mutual concession in friendly conference."

HIRAM WALKER'S WILL

(Montreal Journal of Commerce)

Argument was concluded before Justice Sutherland and judgment reserved on the motion by the Secretary of State for Canada for an order vesting in the Minister of Finance, as custodian on the alien enemy property, the share of the Countess Ella Matsushita in the Canadian estate of her father, Franklin Hiram Walker, of Detroit. W. N. Tilley, K.C., with C. C. Robinson, appeared for the Crown, and Glyn Osler for the National Trust Company, which is looking after the administration of the estate on this side of the border. The entire estate is valued at \$3,762,897, of which \$2,989,204.40 is in Ontario. The residue of the estate was left by Mr. Walker, who died in August, 1916, to be divided equally between his wife and only child, the countess.

A BEDTIME STORY

Uncle Wiggly and the Ant Hill

Copyright, 1918, by Macmillan Newspaper Syndicate, (By Howard R. Garis.)

Uncle Wiggly Longears, the bunny rabbit gentleman, was riding along through the woods in his automobile one day when, all at once, he saw in front of him on the path two funny little red-spotted Squiggle Bugs. "Hold on there! Wait a minute!" cried one Squiggle Bug, waving its front left leg at the rabbit. "Yes, be careful where you are going," said the other Squiggle Bug, waving its right leg at Mr. Longears. "Oh, excuse me! I didn't intend to run over you," said the bunny, as he slowed up his machine. "Did you think I would?" "Oh, no," answered the largest Squiggle Bug. "The reason we called you to stop is because you were just going to run your auto over a sharp thorn, and, if you had done that, you bologna sausage tire would have a hole in it." "Tighten up, please. Thank you for telling me," said Uncle Wiggly. He was going to get out of his auto to take the sharp thorn away when the smallest Squiggle Bug said: "Sit still, Uncle Wiggly. My brother and I will pull the thorn to one side for you." They did this and the way was clear. Uncle Wiggly was about to drive on when he happened to think that perhaps the bugs were tired of crawling. "Wouldn't you like a ride in my auto?" asked the bunny rabbit, with a polite twinkle of his pink nose. "I have plenty of room." "Thank you, a ride would be nice," said the largest Squiggle Bug. Into Uncle Wiggly's auto they crawled, and soon they were having a nice ride. "Are you going any place special?" asked the bunny after a bit, when the bugs had not told him where they wanted to get out. "No, we have no place to go," said the smaller of the two red-spotted chaps. "We have no home. We are sort of tramps in the bug world." "Then come home with me," invited the rabbit gentleman. "Nurse Jane, Baby Bunty and I live in a hollow stump bungalow. There is plenty of room for two Squiggle Bugs." "Oh, thank you, very much!" whispered the bugs. "Now we are like real folks—we have a home." So Uncle Wiggly took them to his bungalow, Nurse Jane and Baby Bunty welcomed them and made them feel at home, and for a long time the Squiggle Bugs stayed with Uncle Wiggly. But one day the rabbit gentleman noticed that the two Squiggle Bugs looked unhappy. They didn't eat very much, and they seemed very sad. "What is the matter?" asked Uncle Wiggly. "Are you sorry you came to live with me?" "Oh, no, indeed!" they answered. "But we would so much like a slide down hill!" "A slide down hill!" cried Uncle Wiggly. "Why, no one can slide down hill except in winter, and that is a long way off. Besides, you Squiggle Bugs are too small to slide down big hills!" "We know that," said the bug with the most red spots. "All our lives we have wanted to slide down hill, but the hills are always too large, and there is no sliding except in winter when there is snow on the ground, and so we never have any coasting. Isn't it sad, Uncle Wiggly?" "Yes," said the bunny. "It is. I wish I could find a way for you to slide down a little hill in the summer time." But Uncle Wiggly couldn't seem to think of any way, and each day the Squiggle Bugs grew more and more sad. They wanted to go coasting on a little hill in the summer, but there seemed to be no way to do this. One day, however, after having been out riding in his automobile, Uncle Wiggly came hurrying home. "Come on, you Squiggle Bugs!" he cried. "I've found a way for you to have a ride down hill, even if it is summer!" "Is the hill the right size?" asked the little Squiggle Bug. "It's just right," said Uncle Wiggly. "It's an ant hill. I just thought about it. I passed one in my auto. Not far away is a hill in which live a lot of ant friends of mine. They said you could slide down their hill all you liked." "Oh, goodie!" cried the big Squiggle Bug. "But what shall we use for sleds, Uncle Wiggly?" "Some chips from the wood pile," said the bunny, as he gave each bug one. "But how can we slide down even an ant hill in summer, when there is no snow?" asked the most spotted Squiggle Bug. "I'll make snow from white talcum powder!" said Uncle Wiggly, and he did. He sprinkled a lot of the white powder on the ant hill, making it look just as if covered with snow. Then on their wooden chip sleds the Squiggle Bugs slid down, and they had a jolly time, and they thanked the bunny very much. "This teaches us never to give up trying to do things that seem hard. And if the lemon squeezer doesn't try to pinch the rubber ball when they run a race up and down the washboard, I'll tell you next about Uncle Wiggly and the Singing Frog."

Social Personal

Mrs. W. A. Clouston, who has been staying at the Empress Hotel.

Miss M. E. LePage has returned from a visit to relatives in Winnipeg.

Lieut. and Mrs. R. C. Keates and Miss Keates, of Duncan, are guests at the Empress Hotel.

Miss Norma Macdonald, of this city, has been visiting in Victoria as the guest of Miss Bina Ross at the Empress Hotel, arriving yesterday.

Mrs. L. M. da Silva and family, of Hongkong, have registered at the Empress Hotel, arriving yesterday.

Miss Grace Redpath, who recently graduated from the Normal School, has gone to Nelson to visit her parents, Mr. and Mrs. E. Redpath.

Mrs. Archibald Smith, of Vancouver, accompanied by her daughter, Miss Audrey Smith, is a guest at the Oak Bay Hotel and will remain in Victoria for several weeks.

Mr. and Mrs. Newton Burdick, of Vancouver, spent the week-end at their summer cottage at Cowichan. They had as their guests over the holiday Mr. and Mrs. Guy S. Rothwell, of Vancouver.

Douglas H. Collister, son of Mr. and Mrs. W. S. Collister, of New Westminster, has arrived in the city on a visit to his parents, who are holiday-making in Victoria. He has just returned from service overseas, having been serving with the 3rd Tunnelling Company in France.

A recent issue of The Canada Gazette contains announcement of the award to Sgt. J. Baxter, of 333 Niagara Street, of the Meritorious Service Medal in recognition of valuable services in France and Flanders. He joined the Gordon Highlanders in June, 1915, and left with the 103rd Battalion in July, 1916, as regimental quartermaster-sergeant. He was twice mentioned in despatches.

City Detective V. G. Heather, Mrs. Heather and Master Roy, R. A. Heather and Master Gordon Heather were Victoria guests at a garden party given at the home of Mrs. E. B. Townsley, North Vancouver, in honor of their mother, Mrs. Heather, on the occasion of her birthday last week. During the afternoon Mr. Townsley, on behalf of her family, presented Mrs. Heather with a gold watch and chain suitably inscribed.

Mrs. Fred Howe, of Vancouver, accompanied by her daughters, Elsie and Zella, her son, Fred, and Ernest Mann, of The Vancouver Daily World, completed an automobile tour of the Island on Friday, when they arrived in Victoria from Alberni. The party left on the Sunday Vancouver boat for home. While here, during the peace festivities, they were the guests of Mrs. J. A. Shanks, "Five Points."

A number of attractive booths and slideshows have been arranged in connection with the garden fete to be held "Gonzales," Rockland Avenue, the residence of the late Mrs. J. Pemberton, on Wednesday afternoon. A curio shop and art store, games for the children, a generous game and a Punch and Judy show will be among the many attractions provided for the entertainment of visitors both young and old. The fete will be opened at three o'clock and will continue till six. The proceeds are to be used to augment the funds of Christ Church Cathedral.

MONSTER RAFFLE AT MIDSUMMER MARKET

A monster raffle of produce is to be conducted in connection with the midsummer market at the City market on Saturday next, and the proceeds will be devoted to the Widows and Orphans' Fund. The prizes will consist of various kinds of produce donated by the stall-holders, in accordance with their generous custom of the past few years.

The raffle is being arranged under the auspices of the Esquimalt Chapter, I. O. O. E., and members of the chapter will sell tickets at the market on Tuesday and Saturday of this week. The raffle is to close on Saturday afternoon. Tickets may also be obtained off the stall-holders.

I.O.E. Handiwork in Peace Arch.

The huge peace arch under which the parade passed on Saturday aroused much admiration among the multitudes of residents of Victoria, and visitors who viewed the pageant. Erected by the Foundation Company organizations, the arch was covered with flowers by the Daughters of the Empire, the beautiful scheme representing the handiwork of Mrs. R. E. McMick, convener of the flowers, and her big committee of helpers. Assisting them were four returned soldiers from Esquimalt Hospital, Ptes. Lyns, Slant, Stockland and Diconch. The I.O.E. emblem formed a striking centre-piece at the head of the span, underneath which were the words "Peace" carried out in gold and white flowers.

Jubilee Hospital.—Pending the selection of the Government representative on the board of directors of the Royal Jubilee Hospital, little business was done at the monthly meeting on Friday, R. S. Day was re-elected president, George McGregor was chosen vice-president, and James Forman honorary treasurer.

PEACE CABARET A BRILLIANT SUCCESS

Gay Scene at Empress Hotel Culminates Saturday Celebrations

Hanging baskets of crimson ramblers, which flowers were repeated in the mural decorations, converted the Empress Ball-room into a bower of beauty for the French Red Cross cabaret on Saturday night. Across one end of the room were the words "Vive la France," with the French national flag. The tables held a full quota of guests while many of the huge crowd were unable to obtain seats—so popular was the event. The overwhelming success of the affair was due to the untiring efforts of Mrs. F. C. Holden, President of the French Red Cross, and Madame Grifflon, Mrs. R. H. Pooley, who carried out the artistic decorative scheme and arranged the excellent programme. W. H. Wilkerson, who acted as floor manager, and George Bushby, Master of Ceremonies, H. A. Goward and E. Pauly officiated at the receipt of custom.

The delightful programme of dance music was furnished by the combined orchestras of Professors Lou Turner and Heaton, dancing ceasing at midnight. Mrs. A. J. Gibson officiated at the piano in her usual sympathetic fashion for the following vocalists: Harry Davis, "Mareillette;" Miss Dorothy Kirk, "Little Coss Corner in Your Heart;" Mr. Harry Briggs, "The Road to France;" Lieut. Webb, "Sergeant Solomon Isaacstein;" Miss Eva Hart, "A Little World of Love;" Mrs. D'Oyley Rochford, "In the Dark;" with quartette, Messrs. Webb, Hinkins, Fairbairn and Day; Miss Kirk and Lieut. Webb, duet, "A Paradise for Two;" Miss Mona Miscner, "Wake Up;" Miss Eva Hart, "A Real Town Light;" Miss Wootton gave a graceful Oriental dance in costume. Owing to the illness of the artist, the Pantomime turn was omitted from the programme.

Gaily-covered serpentine flags and noise-producing favors were sold by the Misses Tiny Monteth, Eberts and Shakespeare, and streams of the multi-colored paper ribbons were thrown from table to table, encircling the dancers, and adding to the kaleidoscopic effect of the brilliant scene. The Misses Pichon and Patricia Smith wore effective Aboriginal costume and sold cigarettes and serpentine. Mme. Grifflon was in charge of the tables, and Messrs. Burns, Holden, Wyllie and Turner acted as ushers.

The hundreds of carnations and sweet peas used in the table decorations were the generous gift of W. H. Brown, of the Victoria Nursery.

"Would you advise me to cultivate my voice?" asked Miss Screechum. "I would," replied Mr. Bearit. "I'd plant it deep!"

SAANICH TO DISCUSS HEALTH CENTRE PLANS

Reeve Jones Issues Circular Letter; Well-known Speakers to Attend

In connection with the proposed health centre for Saanich, the municipal authorities have issued the following circular letter to the residents of the district:

"The Reeve of Saanich earnestly requests you to be present at a public meeting to be held at Royal Oak on the evening of Thursday, July 24. The object of this meeting is to discuss way and means of raising funds for the building of a Health Centre in Saanich. This Health Centre is to be a Memorial to our men who died to make life safe for our children and our children's children."

"That patriotism which sent British men to die for a democratic ideal is to-day demanding that British children be given an opportunity to live out that ideal."

"Come and bring as many others as possible and let us join in this great patriotic endeavor to give every child all the health that present knowledge affords."

Speakers for the occasion are: F. A. Pauline, M.L.A.; Dr. H. E. Young, Secretary, Provincial Board of Health, and Mrs. C. de V. Schofield.

PEACE PAGEANT A STRIKING DISPLAY

Military and Naval Veterans
and Patriotic Workers Rep-
resented in Parade

WHITE FLOWERS FOR THE FALLEN

Victoria celebrated the advent of peace on Saturday with a spontaneity which made of the festivities a continuous round of jubilation, dense crowds filling the streets from early morning until long after midnight. Although the celebrations lacked the noise which attended the receipt of the news of the signing of the armistice, the jubilation was none the less sincere, and old and young joined wholeheartedly in the various revels composing the day's programme.

The celebrations were inaugurated with a parade on a larger and more magnificent scale than has ever before been seen in this city. Veterans of the Empire's wars, both on land and sea, nurses, women, patriotic workers and various public bodies were represented in the spectacular pageant.

The procession was headed by a pure white float surmounted with a broken column in white, to the memory of the men who had fallen. As it passed between the ranks of spectators, white blossoms were thrown upon it, and by the time Beacon Hill was reached it was massed with white flowers.

Very striking were the floats representing the nations, Canada, France, the United States, Japan, China and Greece, being among the nations depicted. The French typified the reunion of the lost provinces of Alsace and Lorraine.

As a military spectacle the parade was most impressive. In the van were the veterans of the Empire's wars for the past fifty years, most of them hale and hearty, despite their years, and with a reminiscent gleam of by-gone victories in their eyes. A vivid splash of color in the ranks of these veterans was furnished by the scarlet uniform of one of the old Guards, wearing his huge bearskin busby. Next in line were the khaki-clad veterans of the various C. E. F. units, each unit headed by officers of the battalion. Those whose wounds prevented their marching in the parade were conveyed in cars.

Nursing sisters, Red Cross workers, members of the I. O. O. F. and the women's auxiliaries to the various veterans' associations had their allotted place in the vast procession and received the acclaim of the thousands gathered along the line of march. At Beacon Hill were nearly ten thousand persons were assembled, the parade disbanded and listened to the reading of the King's proclamation by Mayor Porteous and addressed by the Lieutenant-Governor, Major-General Leckie and Premier Oliver. At the close of the addresses Gen. Leckie was handed a laurel wreath by George Smith, a Crimean veteran, and laid it upon the broken column to the memory of the fallen. As the crowd stood with bowed heads the band played the National Anthem.

HOOGLAM MAN IS CHOSEN PRESIDENT

Inter-State Realty Association
Concludes Sessions; Winner
of Cup Contest

"At this time, when the Union Jack and the Star Spangled Banner are entwined in happy commemoration of the return of Peace, and at a time when the Dominion of Canada is celebrating a glorious victory in which America took such a brotherly part, your committee and addressers desire to congratulate the Province of British Columbia upon its devoted and heroic allegiance to the British Empire in its time of great stress, and the city of Victoria, in which our third annual convention is being held, upon the heroic sacrifices made by her to uphold the honor of the mother country; and we also desire to thank the Victoria Realty Board, and particularly C. T. Cross, its president, for untiring efforts to make this Convention a success; for the entertainment provided those in attendance, and especially for the entertainment furnished for our wives, daughters and lady friends."

This preamble to the report of the Resolutions Committee, a report which was enthusiastically adopted by the Inter-State Realty Convention on Saturday morning before adjournment.

Officers chosen were: President, E. B. Arthur, of Gray's Harbor; secretary-treasurer, Paul A. Cowgill, Portland.

The vice-presidents for the various sections follow: Washington, E. L. Lambuth, of Seattle; Oregon, Fred German, Portland; British Columbia, A. C. Sterrett, Vancouver; Montana, N. M. Apple, of Lewistown.

The three directors for British Columbia are Alfred Carmichael, of Victoria; and Geoffrey L. Edwards and Nicholas, of Vancouver.

For Washington: F. E. Pope, Seattle; L. E. Miller, Bellingham, and Havelock C. Boyle, Tacoma.

For Idaho: A. L. Murphy, of Caldwell.

For Oregon: C. A. McKenna, Portland; S. O. Dillman, Oregon City; E. T. Wade, Pendleton.

For Alberta: D. Needham, Calgary. A. H. Barnheisel, Tacoma, won the silver challenge cup; H. H. Watson, Vancouver, took second prize, and Ralph Cooley, of Spokane, won the third prize.

The afternoon was spent in pleasant drives round the peninsula.

Biggs: "A chap asked me if I'd like a good square meal yesterday! And I said, 'Yes!'"

Higgs: "Oh! And did he take you to his house and give you a good feed?"

Biggs: "Not exactly. He just handed me a meat extract cube!"

CAUSEWAY AREA WAS CONVERTED INTO FAIRYLAND

Thousands of Citizens Witnessed Pyrotechnic Climax to Peace Celebrations

All Victoria and its neighbor turned out to witness the grand finale to the Peace celebrations.

At the falling of dusk the vast multitude assembled in the natural amphitheatre which existed in the pyrotechnic display staged as the climax to the joyful demonstrations of Peace Day.

It is conservatively estimated that thirty thousand people packed themselves away in the area of the Causeway and its immediate approaches. For close upon two hours the densely congested throng repeatedly followed the course of soaring aerial torpedoes and "aw-ed" and "ah-ed" in the approved style as the hall of multi-colored stars descended in illuminative grandeur with a darkening and purple-tinged sky as an appropriate background.

It was a veritable fairyland scene magnificently staged in water-girt and illuminative setting. A site more adapted to a fireworks display of this character could not be conceived.

A blaze of electric light in the background was projected by the imposing pile of Legislative buildings centred by an enormous electrically-devised "Peace With Honor" over the main entrance.

Equally effulgent was the palatial Empress Hotel, which nicely harmonized with the general lighting effect. Illuminatively conspicuous also was the Post Office and the towering buildings forming the northern barrier of the wonderful scene.

Immediately in front the placid waters of the Inner Harbor glistened and reflected myriads of beaming lights while the electrically enveloped piers contributed to the fairy picture.

Directly above this remarkable scene the Pathfinder No. 2, with wings and fuselage ablaze with lights, circled and stunted, the daring aviators thrilling the vast concourse by the stunts performed aloft.

Picking its way through the dense masses of people the brilliantly illuminated Peace car of the B. C. Electric Railway attracted widespread attention and favorable comment.

As a preliminary to the fireworks demonstration the flags of the Allied nations were volleyed into space, and a massed choir on the steps of the Parliament Buildings contributed a programme of songs of thanksgiving in commemoration of a lasting peace.

"Mother," said Tommy, "is it correct to say you 'water a horse' when he is thirsty?"

"Yes, my dear," said his mother.

"Well, then," said Tommy, picking up a saucer, "I'm going to milk the cat."

COFFEE DECREASES

TEA TAKES ITS PLACE

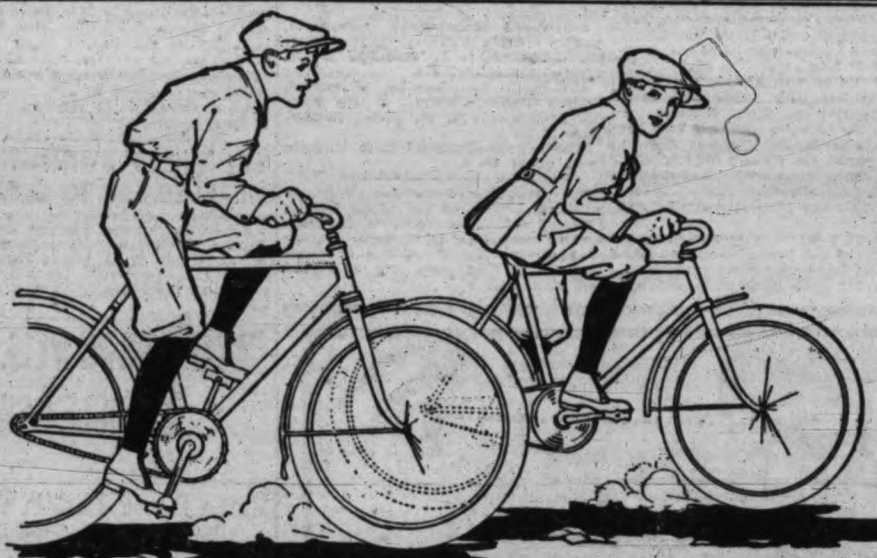

Southern Indian Resident Is
Here From Nilgiri Hill
District

Tea is gradually replacing coffee in the plantations of Southern India, according to H. G. Golden, Mr. and Mrs. Golden, who have just arrived from the Orient, are now at the Dominion hotel, intending to leave on Wednesday en route home to England.

Mr. Golden comes from Coimbatore, near the Nilgiri hills. He states that the planters have been seriously handi-

capped by the limitations set on exports of tea and coffee, so far as the British market is concerned, while the American and Canadian market has been shut off by lack of transportation. The best teas, he states, are high altitude ones, which give the best flavor, and which are generally mixed with the low altitude product to secure body. A number of British syndicates are planting extensively in Southern India and Ceylon, the abandoned coffee plantations giving place to tea. The consequence is that the export of tea has grown materially while the production of coffee has decreased. "The reason is," he said, "that coffee is a fruit crop, subject to seasonal failures, while tea is a leaf crop, where some leaves are sure to be picked however bad the season."

The south, he stated, has not been troubled with the disturbances which have occurred in Northern India. He congratulates the Indian Government on the firm stand it has taken against sedition, as typified in the recent disturbances in the Bengal presidency.

Longer-Wearing Stockings and Good-Looking, Too

Buster Brown stockings have the two essentials—long wear and good looks—knitted right into them. You'll find they have a neat, well-fitting appearance—that they are suitable for all occasions. Your boy will be glad to wear them.

And they are harder-wearing because we knit them from extra-long yarn. Because we make them with a two-ply leg and three-ply heel and toe. Because our employees have had years of special training in knitting Buster Brown durability into hosiery.

You'll find they'll suit your boy fine. For what healthy boy isn't hard on stockings. They'll give you less mending to do—they'll cost less because of the extra wear obtained.

Ask your dealer for "Buster Brown" durable hosiery. Sold everywhere.

The Chipman-Holton Knitting Co., Limited
Hamilton, Ont.—Mills also at Welland

**The BUSTER BROWN
STOCKING**

BUSTER BROWN'S SISTER'S STOCKING

Buster Brown's Sister's Stocking for the girl is a splendid looking stocking at a moderate price. A two-thread English mercerized knit stocking, that is shaped to fit and wears very well indeed.

Colors—Black, Leather Shade Tan, Pink, Blue and White.

GUM DECAY CAUSES TOOTH DECAY

Healthy teeth need healthy gums to hug them. Else they will loosen in Pyorrhea. Tiny openings will come in the gums to act as the gateways of disease germs, which infect the joints or tonsils, or cause other ailments.

Forhan's prevents Pyorrhea, if used in time and used consistently. No mere toothpaste does. Are your gums tender gums? Are they bleeding gums? If so, you are certain to have Pyorrhea (Riggs' Disease). Four out of five people who are over forty have it. To you we earnestly recommend Forhan's. It preserves the gums which hold the teeth secure.

Brush your teeth with it. Forhan's cleans the teeth scientifically—keeps them white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

35c and 60c tubes. All Druggists.

FORHAN'S, LTD., 307 St. James St., Montreal.

VICTORIA NORTHWEST WORLD

Big P.N.A. Gala Most Successful Meet Ever Staged in This City

Audrey Griffin Leads All Competitors—Thousands Saw V.I.A.A. Pull Off Giant Water Carnival at Gorge on "Peace Day"

Unaided by any other local club, the Victoria and Island Athletic Association made the Pacific Northwest Championship water gala, held here on Saturday, the most successful meet in the history of the city, added another feather to its own cap and incidentally helped to spread abroad the fame of Victoria as a big centre of things aquatic. It was a signal honor and at the same time a big responsibility for Victoria that she should be chosen, for the second successive year, as the scene of the Northwest championship events, but, thanks to the V.I.A.A., the honor was well merited and the responsibility ably fulfilled.

Not only did Victoria supply the scene for the most important gala of the Northwest athletic year, but she also supplied the greatest proportion of the swimmers—and the champions. While Seattle bagged the largest part of the possible points, Portland coming second, Audrey Griffin, Canada's foremost lady swimmer and the leading individual scorer of the gala, while Mrs. Martin, of Ladysmith, easily stowed away a championship and showed up well in a number of contests.

A Lively Scene.
Curtis Point in front of the big V.I.A.A. club house presented a lively and picturesque scene on Saturday. Every kind of craft from canoes to lordly yachts crowded the waters about the course, while thousands thronged the banks. A band concert entertained the huge gathering during the afternoon and in the evening the swimmers were feted at an elaborate banquet.

And not one spectator among those thousands was disappointed in any event, for close finishes and exciting races were the rule rather than the exception. While most of the events were pulled off in faultless style, a bad start in the fifty yards dash for men caused considerable delay, and the judges found it necessary to have this event swum over several times. By a lamentable mistake the judges stopped the 500 yards for women two laps too soon and the race, as a result, was adjudged as a 400 yards event. As a matter of fact, there was no doubt about the results of the contest for Audrey Griffin had it carefully hung up before 300 yards had been covered.

Diving Popular.
The diving events probably proved the most popular with the crowd. Visiting stars from cities to the south and local favorites supplied the thrills, plenty of them, and fairly astounded the spectators with all sorts of unusual swan like plunges.

When All Was Said and Done.
When all had been said and done and when a bewildering multitude of races, diving stunts and various other contests had been run just as the sun was beginning to sink in the west, a number of things about the gala, which up to that time had been clouded with doubt, became clear. Most important, Audrey Griffin, it was discovered, had won out, had scored higher than any of the stars of nation-wide fame who were doing their best to add to their reputations. To be sure Audrey unfortunately lost her fifty yards title to a worthy champion, Miss Mayhall, of Seattle. To be sure, also, she lost out in the 100 yards. But she was first in the 400 yards, the plunge for distance. The 200 yards breaststroke, and the 100 yards breaststroke—four firsts and two seconds and the highest score of the day.

The next most notable performance on behalf of the Island was that Mrs. Martin, of Ladysmith, who easily captured the 100 yards backstroke, grabbed

OFFICIAL RESULTS OF BIG WATER GALA

Seattle swimmers scored the highest number of points in the big P.N.A. gala here on Saturday, as the following figures for the various cities competing show: Seattle, 69 points; Portland, 59 points; Victoria, 36 points; Ladysmith, 13 points, and Spokane, 4 points.

Audrey Griffin led the individual competitors by a very large margin, the following being the official scores: Griffin, Victoria, 26 points; Mayhall, Seattle, 17 points; Sternberg, Seattle, 14 points; Martin, Ladysmith, 13 points; Konowaloff, Seattle, 13 points; Thelma Payne, Portland, 10 points.

V.I.A.A. CLAIMS COAST RECORD FOR VICTORIA SWIMMER

AUDREY GRIFFIN

In whose favor a Pacific Coast record for the 100 yards breast stroke is now being claimed by the Victoria and Island Athletic Association. At the big Pacific Northwest Championship Gala held here on Saturday Miss Griffin captured the 100 yards breast stroke in one minute and thirty-one seconds. Victory in this race entitles the Victoria girl to the Pacific Northwest Championship, but the time she made is about eight seconds better than that made on Saturday by Mrs. Terie Descha of Del Monte, California. Mrs. Descha is hailed as the Pacific Coast record holder, having covered the 100 yards, using a breast stroke, in 1 minute and 39.5 seconds. The V.I.A.A. has entered a claim for the record on behalf of Miss Griffin.

MEETING OF SWIMMERS CALLED FOR TO-MORROW

A meeting of the Victoria Amateur Swimming Club, the Foundation Club, James Bay, Y.M.C.A. and Yarrowas is called for to-morrow, Tuesday, at 8 o'clock in the Boy's lobby of the Y.M.C.A.

CANADIANS DO WELL AT BISLEY SHOOT

Martin Placed Third in Grand Championship Aggregate

Bisley Camp, July 20.—(Canadian Associated Press.)—The Bisley Service Rifle Association cup, 100 shots at 100 yards, scores were:

Martin, 46; Elmitt, 45; Hutchinson, 44; Balfour, 45; Vincent, 45; McInnes, 42.

The bystander sniping competition, 10 shots at 200 yards, at a target small and difficult to distinguish and appearing irregularly, the winner was Major Etches, of the Wythe staff, with 42. Ninth and winner of the two framed sketches, Pte. D. Smith, of Canada, 25; sixteenth and winner of same, Martin, 20.

Grand championship aggregate, best in King's prize and St. George's cup, first stages of Alexandria cup, Daily Graphic, Daily Telegraph and Graphic, winner, trophy and gold cross, C.P.O. Morton, of the Royal Navy, 427; silver cross, Major Northover, R.A.F., 411; bronze cross, Martin, of Canada, with 405.

London and Southwestern Railway cup, 10 shots at 200 yards, scores were: Spalding, 54, 26th; Martin, 33, 26th; Phillips, 33, 26th.

Five hundred yards, kneeling, scores: Martin, 41, 19th; and Spalding, 40.

FAMOUS JOCKEY JOINS THE MOVIE FAMILY

New York, July 21.—Tod Sloan, famous jockey of the golden days of racing, will be back in the saddle, in the near future. However, Sloan is not going to take the hurels from Johnny Loftus, for Tod will do his riding in the movies. Sloan has agreed to take a leading part in the photo play "Determination," a ten-reel thriller. Tod will ride the horse, Determination, in the big scenes of the play and no doubt will bring him home in front.

Almost Certain Mann Cup Will Come to Victoria This Season

Foundations Had No Trouble Defeating Westminster on Saturday—Defence Is Too Heavy and Powerful for the Light Homes Which Mainland Teams Are Fielding

(By Times Special Representative.)

Nothing short of a miracle can prevent the Mann Cup, emblematic of the Amateur lacrosse championship of the world, from coming to Victoria this season. After watching the Foundation team hand out a decisive defeat to New Westminster at the Royal City on Saturday afternoon it seemed quite apparent that the locals can win just as easily away from home as they can before their own crowds. The powerful defence has practically no difficulties in keeping out the light homes which Vancouver and New Westminster have built up. Everyone on the Mainland is of the opinion that the Foundation twelve is the fastest, hardest and strongest crowd of stickhandlers that has ever been gathered together in amateur lacrosse in the West.

When Victoria crossed over to play Westminster it was expected that they would have a lot of trouble winning. Some people were of the opinion that Storme would run wild, and if Munro or any of the other Victoria players tried to hold him they would be sent to the fence. But they checked clean and hard and Referee Gray had no fault whatever to find with their playing. The result was that Victoria left the grounds with a 9-5 score to their credit.

Victoria Scored First.
Ten seconds after the face-off Feedham bulged the nets for Victoria's first tally. It was a remarkable feat, for the score was 1-0 in less than a minute and a half later Johnson went through and scored. Westminster steadied and there was a see-saw battle for five minutes when the Royals scored and tied the score a few minutes later. Johnson got his second goal a few minutes later, and the quarter finished with Victoria leading.

In the second quarter Foundations played hard and scored three goals. Sayer, the Royal goal-keeper, was unable to get his eye on the fast drives. Westminster tried hard to score but the heavy defence blocked every attempt and what shots filtered through were easily disposed off by Jake Davis.

Johnson Knocked Cold.
Johnson, who had been playing a stellar game, was knocked cold in the second quarter. The wood was laid across his head and he was unable to get up. He was attended to by Dr. McQuarrie, who ordered him out of the game for the remainder of the quarter. Westminster dropped a man to even things up.

Victoria pushed farther ahead in the third period, adding two more goals before Westminster broke in with a lone tally.

Westminster Rally.
In the last quarter Westminster opened up with a fast rally and scored twice. It was the liveliest and fastest part of the game. Both teams were travelling fast and during the excitement of a short mix-up Feedham slugged Polster, who greatly retarded the action. The two boys went at it hammer and tongs and the Royal City fans, who never like to see a private fight, scampered out of the stands and all over the green with war cries. When the grounds were cleared Referee Gray banished both fighters from the field for the rest of the game. From that stage the game became slow and it seemed a case of killing time.

Westminster strove hard to win the game in order to stay in the running, but they were unable to set a pace fast enough to outguess the many veterans who comprise the Foundation team. Victoria now has four wins to its credit and no losses. Neither Vancouver nor Westminster have the class to defeat the local heroes in the present playing.

The Teams.
The teams lined up as follows:
New Westminster—Sayer, Brown, Chambers, Slater, Rennie, Stoddard, W. Oddy, E. Pentland, Gunn, Mitchell, Storme and Fillard.

Victoria—Davis, Sweeney, Munroe, Clegg, Kroeger, Johnston, McDougall, Painter, McInnes, Mitchell, Feedham, McGregor.

Penalties.
First Quarter—McDougall, Victoria, 5 min.; Chambers, Royals, 5 min.
Second Quarter—Monroe, Victoria, 5 min.; Johnston was out of the game the balance of the quarter; E. Pentland, who looked as though he was crying, was taken out to even up.
Third Quarter—Painter, Victoria; Brown, Royals, all for 5 min.
Fourth Quarter—Feedham and Polster ruled off for balance of game.

GOAL SUMMARY.

First Quarter.
1.—Victoria, Feedham, 10 sec.
2.—Victoria, Johnston, 1 min. 28 sec.
3.—Royal, Oddy, 5 min. 30 sec.
4.—Royal, Gunn, 6 min.
5.—Victoria, Johnston, 4 min.

Second Quarter.
6.—Victoria, McDougall, 5 min.
7.—Victoria, Painter, 1 min.
8.—Victoria, Feedham, 4 min. 30 sec.

Third Quarter.
9.—Victoria, McDougall, 12 min.
10.—Victoria, McGregor, 4 min.
11.—Royal, Polster, 3 min. 2 sec.

Fourth Quarter.
12.—Royal, Storme, 7 min. 30 sec.
13.—Royal, Stoddard, 3 min.
14.—Victoria, Mitchell, 4 min. 30 sec.

Next Saturday's Game.

Next Saturday at Royal Athletic Park the home fans will see the shipbuilders fighting to clinch the famous trophy. The Foundation stickhandlers will entertain the Vancouver players and with the home team out to make the top position secure the greatest of a string of fine battles to date this season is assured. Encouraged by their straight path to victory, the shipbuilders are now out not only to secure the cup, but to make a record of wins right through to the end of the race.

PROS. RACE EVEN.

Vancouver, July 21.—Westminster Salmonbellies beat the Terminals in the Minto Cup game at Athletic Park by 3 goals to 1, and made an even break on six games played. Over 5,000 fans, the largest crowd of the season, and the largest on the Coast since before the war, attended.

Summary: First period: Goals—Westminster, 3; Terminals, 1; 1:15—Westminster, 2; Terminals, 3:30—Westminster, 3:30.

Substitutions: Westminster, Nelson for McLeod; Terminals, McDonough for Donoghue.

Penalties: None.

Second Period: Goals—Vancouver, 1:55; Westminster, none.

A soiled cuff attracts the eye

YOUR cuff is the most exposed portion of your shirt. It soils the quickest. And everyone knows how PROMINENT a soiled cuff is. It seems a magnet that draws all eyes.

A soiled cuff irritates a particular man. He keeps pushing or pulling up his shirt sleeve to hide it. It causes him to change his shirt when the body of it is still fresh and clean.

The Double Wear Cuff is a boon to the particular dresser. When the cuff gets soiled just turn it. It folds easily and lies perfectly flat whether turned in or turned out. And just think of the comfortable feeling it gives you to know that you can turn your cuff, if you should happen to get it soiled unexpectedly when down town, and it's inconvenient to go home and change your shirt.

The newest and smartest patterns are to be found in

Trade Mark Patented 1918

GEORGES CARPENTIER

WINS IN EIGHTH OF

TWENTY ROUND FIGHT

Paris, July 21.—Georges Carpentier, the French champion, knocked out Dick Smith, former English champion, in the eighth round of a twenty-round bout last Saturday. It was Carpentier's eighth all the way.

Cripplé, the French bantamweight champion, knocked out "Digger" Evans, the Australian, in the eighth round of their boxing bout here to-night. Evans won the championship in the bantamweight division during the inter-Allied games late in June. Fred Fulton challenged Carpentier.

MASTER BAKERS IN CONVENTION HERE

A convention of the master bakers of Washington State will be held here to-morrow with headquarters at the Empress Hotel. It is expected that about one hundred delegates will be present.

The delegates will arrive from Seattle at a quarter past one, and will be taken for a sight-seeing trip immediately. In the evening they will be entertained at a theatre party, and business will be transacted on Wednesday morning. Another sight-seeing trip probably will be arranged for the afternoon.

ROCKETS START FIRES

Kiddies' Celebrations Cause of Several Blazes; Rocket Found on Burning Roof

Saturday's celebrations, particularly among the kiddies, resulted in a number of fires of a more or less serious character. Indeed, the Fire Department was kept busy all the time during "Peace Day."

Rockets sent up by children caused four grass fires, while a tell tale rocket was found lying on the shingles of a home at 3163 Somerset Street, the roof of which was burned. There were also roof fires at 668 Montreal Street and 624 Harbinger Avenue. On Sunday the Department was called out to extinguish a grass fire in Beacon Hill opposite the South Park School. This morning immediately before noon a small blaze fire occurred in some cabins in the 700 block on Johnson Street.

Is Getting Results.—J. G. Thomson, Publicity Commissioner for the Victoria and Island Development Association, who is at present in Seattle en route to guide tourists to this city, is getting results. A communication from Mr. Thomson received by Publicity Commissioner McAdam to-day states that a party of seventy-six tourists who are passing through Seattle thirty-five will come here.

Fine Maps For Motorists.—New and revised maps of the Sanich Peninsula and the roads to Sooke will be soon distributed by the Victoria and Island Development Association. Publicity Commissioner McAdam has had the maps prepared with the interests of motorists in mind, and they show clearly all the roads in the districts covered. Prints for distribution will be made in the near future.

DIED SATURDAY

Mrs. Bridget McKinnon, of Hillside Avenue, Was Well-Known and Respected Resident.

The death occurred on Saturday morning of Mrs. Bridget McKinnon, of 553 Hillside Avenue, widow of the late Michael McKinnon, M.A., and a resident of this city for many years. Her kindly disposition had endeared her to a host of friends, who will learn with deepest regret of her demise. She leaves to mourn her loss four sons, R. T. and John A. McKinnon, of Victoria; James of Ketchikan, and Colin P. of Seattle, Wash.; and four daughters, Mrs. H. Grant, of Lasqueti Island; Mrs. H. N. Turnbull, of Seattle, Wash.; and the Misses Minnie and Ella McKinnon, living at home; a brother, John Roche, residing at the family home, and a niece, Miss Laura MacIntosh, of Pender Island.

The funeral will take place to-morrow morning at 8.45 from the Sands Chapel and fifteen minutes later from St. Andrew's Cathedral. It is requested that no flowers be sent.

MAYOR PORTER HOPES FOR END OF WEEKLY HOUSING DISCUSSION

"I hope to see the housing question settled once for all when the Council meets to-night," Mayor Porter stated to-day.

"I hate to see things drag on and on as the Housing Scheme has done," added His Worship, "and I think it is high time the matter was straightened out one way or another. I hope that the question will not be left over again. I don't like to see things left in abeyance. What the Council will decide to do, I cannot say. It is up to the aldermen. As a matter of fact, the aldermen are so divided on the question it is impossible to forecast their action. However, I hope we will conclude our prolonged deliberations to-night."

SERIOUS GRASS FIRE BURNED LARGE AREA

A serious grass and brush fire, threatened the adjacent convalescent hospital, occurred at Esquimalt yesterday.

Presumably the blaze was caused by a person dropping a cigarette or cigar butt in the grass. Before the flames could be checked the flames had burned an area of about an acre and a half and had caused the utmost anxiety for over two hours. The prompt action of Constable Andrews, Special Constable Nunn, Truckdriver Pick and Sergeant White prevented the flames from reaching the hospital, but even their praiseworthy efforts could not prevent the fire from reaching the hospital fence and burning it in several places.

RESTHAVEN DANCE

Patients Heralded Dawn of Peace by Dance at Alexandra Club on Friday.

About three hundred dancers thronged the Alexandra ball-rooms on Friday evening for the Peace Dance arranged by the patients of Resthaven Military Convalescent Hospitals. The flags of the Allies and tri-color bunting was used lavishly to decorate the hall, and an air of appropriate festivity gave an added zest to the proceedings. An excellent programme of music was furnished by an augmented orchestra and dancing was kept up till an early hour.

On the hour of midnight a roll of drums was the signal for the parade of the men in khaki into the centre of the ballroom followed by the raising of the Union Jack. Then the whole company joined in the singing of a number of patriotic airs and "Auld Lang Syne."

As a result of the enjoyable function the Hospital Amusement fund should be very materially increased. Much of the success of the dance must be attributed to the following energetic committee: Matron Collis, Sisters Alexandra and Irving, Sergt. Wallace and Ptes. Evans, Noel, Fogarty and Gardner. Mrs. George Simpson was at the head of the committee in charge of refreshments.

DEMAND FOR TICKETS

Big Crowd Expected at Dinner to Be Tendered Federal Members To-morrow.

Tickets for the dinner to be tendered the Victoria and Nanaimo federal members in recognition of their valued work in bringing the drydock to this city, are being rapidly disposed of by the Board of Trade Secretary, F. Elworthy, announces that there are about twenty tickets yet to be sold. All persons who desire to attend are requested to purchase their tickets before noon to-morrow.

The dinner is being held in the Alexandra Club to-morrow evening. Arrangements are being made for the seating of 300 guests.

MINISTER OF PUBLIC WORKS IS HOME AGAIN

Personal Inspection of Many Interior Districts; Prosperity in Okanagan

After a two week's busy trip to the interior on Departmental business, the Hon. J. H. King, Minister of Public Works, returned to his office at the Parliament Buildings this morning.

During his absence on the Mainland the Minister visited Salmon Arm, Kamloops, Vernon, Kelowna, Penticton, Fairview, Osoyoos Lake, Greenwood, Grand Forks, Crinbrook, Windermere and Golden, taking the train from the latter point direct to the coast on Saturday last.

At the several points visited Dr. King inspected the roads of the vicinity and arranged for the necessary appropriation as already outlined for the road work to be carried out throughout the Province. By a personal visit the Minister saw the advantage of watching the various undertakings in the light of first hand knowledge gained from his inspection. In this way he will keep a close check on the work of his department during the disposal of this fiscal year's allocation.

Remarkable upon conditions in the Okanagan Valley, Dr. King states that there is a very substantial feeling of optimism over the prospect of bumper crops of all varieties. The fruit, he says, is exceedingly promising, the prospective prosperity being largely reflected, too, in the more satisfactory outlook in connection with water supply. The Minister says that the Government's irrigation policy has gone already a long way towards complete solution of this most important dry-belt problem.

THRESHED BARLEY ON PENINSULA LAST WEEK; IS PROBABLE RECORD

The harvest, accelerated by the warm weather, will be earlier in the vicinity of Victoria than at any date in recent years. R. F. Frawland, of Steffy's Cross Road, threshed a field of barley last week with a very favorable yield.

The United States War Department is planning the manufacture of 181 guns with a range of 60,000 yards, or about thirty-five miles. The length of the gun will be about 75 ft.

Old Folks' Coughs, Catarrh, Bronchitis Quickly Cured

This Tells of a Method That Cures Without Using Drugs

Elderly people take cold easily. Unlike young folks, they recover slowly. That is why so many people past middle life die of pneumonia.

Cough Syrups seldom do much good because they upset digestion. Any doctor knows that a much more effective treatment is "CATARRHOZONE," which heals and soothes the irritated surfaces of the throat.

In using Catarrhzone you do not take medicine into the stomach—you simply breathe into the throat, nose, and lungs rich pine, balsamic vapor, so full of healing power that colds, catarrh and bronchitis disappear almost instantly.

The germ-killing balsamic vapor mixes with the breath, descends through the throat, down the bronchial tubes, and finally reaches the deepest air cells in the lungs. All parts are soothed with rich, pure medical essences, whereas with a syrup the affected parts could not be reached and harm would result through benumbing the stomach with drugs.

A Catarrhzone Inhaler in your pocket or purse enables you to stop a cold with the first sneeze. Large size costs \$1.00 and supplies treatment for two months, small size, 50¢; trial size, 25¢; all storekeepers and druggists, or The Catarrhzone Co., Kingston, Canada.

Have Sound Teeth For Summer

Sound teeth are useful at all times, but very necessary in the summer months.

It's no good waiting and waiting just because your decaying teeth do not ache just now—the thing to do is to have them scientifically corrected so as not to waste your vacation time. Our service is satisfactory in every way—our ten-year guarantee is your protection. Moderate fees. Pay as you can.

CHARLES RAY AT ROYAL VICTORIA

Star's Belief in Luck Proved
During Filming of "Greased
Lightning"

No one ever thought Charles Ray was superstitious. Everyone at the Thomas H. Ince studios looked surprised when the popular young star asked to have

Copy of Testimonial from Hudson's Bay Co., Winnipeg:
Mr. H. W. Hood has been responsible for a large amount of piano tuning in connection with our Music Department and has given every satisfaction. We are sorry he is leaving us.
Copy produced on demand.
H. W. HOOD
Professional Piano Tuner,
3085 Harriet Road. Phone 5417X.

a horseshoe soldered to the water tank cap on a racing automobile he was to drive in "Greased Lightning," his new Paramount Photoplay that will be shown at the Royal Victoria for three days commencing to-night.

"Greased Lightning" is the name of the racer which Mr. Ray, as the village inventor, has built and enters in a big race meet. The day was set for "shooting" the big race scene and Mr. Ray appeared at the studio. He refused to go to work until the horseshoe was placed as he designated.

"I never would have believed Charlie was superstitious," said the property man, as he carried out the order given by Director Jerome Storm.

Mr. Ray said nothing as just after he was hurried to his head. He didn't even take his director into his secret, but when the scene was shot he executed one of the cleverest pieces of business with the horseshoe that he has ever acted. He—but that would be spoiling the surprise. You must see the picture as a whole to appreciate it.

The photoplay is one of the most thrilling in which Mr. Ray ever has been seen. He is excellently supported, his leading woman being Wanda Hawley. Others in the cast include Robert McKim, Willis Marks, Bert Woodruff, John E. Lockney and Otto Hoffman. Jerome Storm directed.

AMUSEMENTS TO-DAY

Pantages—Vaudeville.
Dominion—Marguerite Clark in "Let's Elope."
Variety—Marion Davies in "The Belle of New York."
Royal Victoria—Charles Ray in "Greased Lightning."
Columbia—Thomas A. Edison's production, "The Unbeliever," and Vitagraph serial, "A Fight for Millions."
Romano—William Russell in "Brass Buttons," and Pearl White in "The Lightning Raider."

PATRIOTIC PHOTOPLAY NOW AT COLUMBIA

"The Unbeliever" Shows How
United States Awoke to
War Fever

Coming to the Columbia for three days, starting to-day, is the biggest patriotic picture that the war has produced, "The Unbeliever," presented by George Kline. The story is one that carries a wonderful patriotic appeal. The brutality of the Hun is startlingly pictured; the Marines are seen in action on the firing line. Your soul will be stirred as it has never been before, and your patriotic fever will rise to a boiling point.

The pivotal character of the story is Philip Landicott, a young man of New York's wealthy leisure class, who is firmly entrenched behind class pride, race prejudice and unbelief in the oppressed, a fine sense of chivalry that cannot contemplate a wrong unmoved and the quick self-sacrifice of youth. These redeeming qualities sweep him into the chaos of war. In the white heat of stupendous happenings his soul is cleansed and he emerges with the love of humanity which is the very essence of democracy.

No one characterization makes "The Unbeliever" one of the best of the many war films. It is the combination of story, war pictures and atmosphere that give it such interest. The war scenes were filmed at the United States Marine Corps cantonment at Quantico, under the direction of a Marine officer. Hundreds of marines are in the drama.

"The Unbeliever" is an adaptation of "The Three Things," a novel by Mary Raymond Shipman Andrews, and was produced by Thomas A. Edison in conjunction with the United States Marine Corps.

The first episode of a new Vitagraph serial, "A Fight for Millions," starring William Duncan, will be a special added feature of interest at the Columbia.

"I refused this poem six weeks ago," said the editor. "Why do you again submit it?"

"I thought perhaps your taste had improved by this time," replied the poet, with a gleam of satisfaction in his eyes.

"BRASS BUTTONS" AT ROMANO THIS WEEK

William Russell in Play Which
Will Please Critical
Fandom

William Russell, in "Brass Buttons," plays a part that gives all the room in the world for the display of mental "pep," muscular punch, and those irresistible sunny smiles of his, which seem to set the wedding bells a-tinkling with the very first look into "her" eyes.

In this latest release, produced by William Russell Productions for the American Film Company, he borrows the uniform of an accommodating policeman in order to woo The Girl, having been told she is a lady's maid. How the uniform gets him into a lively scrap with an ugly gunman; how, with its authority, seconded by his original methods, he cleans up a lawless Western town in less than twenty-four hours; how he manages his trip to the altar and then breaks up the wedding in order to dodge a supposed assassin—these are only a few of the thrilling happenings that are crowded into five reels of fun and romance.

Here lovely Eileen Percy again plays opposite Russell. Their excellent teamwork will prove a joy to picture fans when "Brass Buttons" comes to the Romano to-day for a three-day showing.

Another episode of the Pathe serial, "The Lightning Raider," starring fearless Pearl White, will be shown on the new Romano programme.

The curly-haired little sprite of the house came running to her father in the study, and, throwing her arms about his neck, whispered confidentially in his ear: "Oh, papa, it's raining!"

Papa was writing on a subject that occupied his mind to the exclusion of matters aside, so he said, rather sharply, "Well, let it rain."

"Yes, papa, I was going to," was her quick response.

"LET'S ELOPE" AT

DOMINION THIS WEEK

Excellent Situations Make Up
Marguerite Clark's New
Film

A remarkable situation developed in society yesterday when Hilary Farrington, the well-known author, on learning that his wife, Eloise Farrington, one of the most beautiful women of the smart set, was about to elope with Darrell McKnight, a society man, not only made no protest, but actually aided the project.

This situation referred to actually develops in Marguerite Clark's new Paramount photoplay, "Let's Elope," which will be shown at the Dominion Theatre all next week. But Mr. Farrington, the husband in question, had a motive in aiding his neglected wife to elope with McKnight, and this was to prove to her that he loved her and that her faith in the map of her second choice was misplaced.

Of course, the developments following this unique triangular love affair, tend in the end to bring husband and wife closer together than ever, but for a time, marital discord hung like a thunder cloud over the Farrington household. The developments were not without their humorous side and they will furnish admirers of Miss Clark an hour of delightful entertainment.

"Let's Elope" is a picturization of Fred Jackson's successful comedy, "The Naughty Wife," which was produced in New York on November 17, 1917. The adaptation was made by Katherine Reed and John S. Robertson directed. The supporting cast is an excellent one and is headed by Frank

Mills. Other players are Gaston Glass, Helen Green, Blanche Standing, George Stevens and Albert Bugby.

MARION DAVIES IN

"BELLE OF NEW YORK"

Variety Presents Popular Salvation Army Story This Week

The picturization of "The Belle of New York," one of the most famous productions the theatre world has ever known, will be presented at the Variety this week, commencing to-day, with Marion Davies in the stellar role. "The Belle of New York" is Miss Davies' third Select Picture, and is by far the best one she has ever appeared in. In the part of the Salvation Army lassie, made famous by Edna May in the great musical success of the same name, beautiful Marion Davies has a role for which she is well fitted. No other-reels could give Miss Davies such a splendid opportunity to display her exquisite beauty and individual charm.

"The Belle of New York" was made with the co-operation of such men as Eugene Walter, Julius Stuber, Garfield Thompson and Flo Ziegfeld—each man a notable in his own field—which accounts partly for the excellence of the picture.

The action of the story begins in a little town in the Middle West, where William Bronson, one of the wealthiest men in the state, lives with his only son Jack, and in another quarter of the town lives Anne Gray, an inventor, with his only daughter, Violet.

Gray has invented a transformer

with which it will be possible to electrify all the railroads in the country. Bronson wants Gray's invention; he must have it by fair means or foul. Gray trusts him implicitly and makes it possible for Bronson to take out the patents in his own name. When he has acquired all legal rights to it he denies all knowledge of its existence. Gray is heartbroken, and the shock of having his precious invention stolen from him causes his death. Violet tries to make Bronson confess to the theft, but it is useless. Bronson plays ignorant.

Violet goes to New York to find work, and at the same time Jack leaves for the city. Violet becomes a singer in a cabaret and is popularly called the belle of New York. Jack hears of the cabaret singer and determines to meet her. He is introduced to her. Later she learns that he is the son of Bronson and refuses to have anything to do with him. She becomes a Salvation Army lassie, and one day meets Jack in a saloon drunk and injured. She nurses him back to health. Bronson confesses to the theft of the Gray invention and Jack is made happy with the love of the belle of New York.

OSWALD'S FOLLIES.

A complete change of programme will be offered patrons of the Gorge Park to-day, when Oswald's 1919 Follies start the ninth week of their engagement at this popular summer resort. In addition to the song features, "Sluttering Jimmy," sung by Ruth McKinley; "Bubbles and the Sunbeam," sung by Miss Beatrice Carmen; "Taking 'em Down," sung by Sherry Page, and a fine line of comic songs by the well known comedian, Billy Oswald, a sketch entitled "The Prize Baby," will also be included in the programme. Since school has closed and summer holidays have started for the majority of Victorians, good crowds have been the order of the day at both afternoon and evening performances, as two shows are given at 3 and 8.

Adolph Zukor Presents

Marguerite CLARK

"Let's Elope"

A Paramount Picture

Her husband bored her so badly that she yawned every time that he set foot in the house. So she turned her attentions to a young man who sipped honey from every new flower.

But he, too, was tied up—engaged to a widow who didn't want to let go.

Then her husband and "the other man's" fiancé put their heads together and—

Figure it out yourself! It's a corking good entanglement. You ought to see it to-night.

CHAUTAUQUA NOW

WIDELY APPRECIATED

Educative Value Is Fully Ap-
preciated Throughout
Continent

A member of the local committee which has succeeded in bringing to Victoria for one week, beginning on Friday in discussing the scope and object of the movement points out that it has been found to be a successful medium for enlightening the masses on the social, political and economic conditions that prevail in present day life and is an earnest effort to provide a solution for the various problems. Not only do adults gain instruction on these matters, but an educative campaign is inaugurated amongst students and children. Chautauqua fills the general demand and need in community life of the present day. Instruction is provided not by the usual dry and dull methods, but by injecting into every session music rendered by the best obtainable talent and clean wholesome comedy purveyed by noted entertainers.

The subjects discussed range from conditions in many countries to astronomy, and the musical numbers are furnished by soloists and by bands and orchestras. Chautauqua has penetrated nearly every country in the world. Many of the world's greatest public men have attested to the great advantages to be derived from attending the sessions, pointing out that Chautauqua engenders a community as well as a national spirit and broadens the mind, as no other movement has as yet been able to do.

pende entirely on the co-operation of the citizens of each community where a Chautauqua is established. The local committee has met with the whole-hearted support and ready co-operation of the citizens of Victoria, and feels that Victoria will duplicate the success that the Chautauqua has met with in other centres.

Keeps Children Well
Makes Them Robust

HERE IS GOOD ADVICE FOR
THE HEAD OF EVERY
FAMILY.

Rapid growth, work at home and in the school-room, are sure to tax the strength of every child, and often prove the beginning of a chain of weakness that lasts through life.

Give your sons and daughters a fighting chance! Give them good home surroundings, fortify them with education — but above all else do everything possible to insure for them perfect health in years to come.

In no way can you destroy weakness and build up health so surely as with Ferrosone. It's the concentrated nourishment in Ferrosone that enables it to do so much good. It contains the very elements that are needed in building up bone and sinew, in vitalizing and strengthening the blood. The appetite Ferrosone brings will gladden any parent's heart, and when color, spirits, vim, and energy increase day by day then you know what grand work Ferrosone is doing. Because it makes and keeps you healthy, because it is pleasant, harmless and sure to do enormous good—you and your children should use Ferrosone every day. Sold by all dealers in 50c. boxes, six for \$2.50, or direct by mail from the Catarrhzone Co., Kingston, Ont.

Crown, Bridge and Plate Specialist

The art of building crowns, bridge work and plates that will be well-nigh permanent fixtures in the mouth has been the subject of special study and experiment. We believe we have discovered the best method of making dental work extremely durable, and to all who have teeth that require attention we issue an invitation to come and learn of our discovery. Quality of materials employed and scientific treatment are two of the principal features of this better grade, more satisfactory dentistry.

IS COOL PLACE WITH GOOD SHOW

New Pantages Vaudeville
Offers Lots of Snappy
Entertainment

Pantages opens this afternoon another big six-act bill of vaudeville that should be popular with the patrons during the current week. A marked variety is to be found in the acts, and they offer some of the outstanding talent in vaudeville.

The famous Primrose Minstrels are still playing a headline position on the variety stage, and will as long as the Grand Old George is able to personally direct them as his own aggregation. It is not often that the melange entertainment gets an act of the quality of this one. The name itself is a guarantee of excellence, for as long as theatre-goers can look back on his career, Mr. Primrose was never identified with a mediocre offering.

The special added attraction of the new bill is in itself a variety show of excellence and charm. Six very pretty and talented girls give a series of specialty numbers of instrumental music, songs and dances, along with Harry Sigman, the lone man of the offering, presiding at the piano. Their act is entitled "The Revue de Luxe." It is one continuous round of excellent numbers. The act is gorgeously dressed and is presented in especially charming settings.

LeRoy and Dresdner are a pair who start the laughter as they step upon the stage. By the time they have given their comedy offering, called "Oh, Vic," which is composed of songs and dialogue, the audience have the notion that they should stay on the job. Entire opposites in physique and with striking ability to sing and act together they make a striking pair for the vaudeville stage.

Booth and Leander present an offering consisting of routine comedy patter and bicycle feats. Booth does a series of hair-raising stunts and Happy Leander amuses the while with extremely funny comedy business. Eric Randell is a tenor of distinction who offers a repertoire of song selections of the most enjoyable standard. He is assisted by Stewart Kyle playing his accompaniments on the piano. Mile. Booth is a dainty little entertainer playing a series of popular melodies arranged for the banjo to make a popular number on the programme. This big six-act show is introduced as one of the most thrilling of the episodes of the popular serial-photoplay, "The Man of Might," and the Pantages is the coolest place in the city in which to find satisfying entertainment.

ON COMMISSION FOR BRITISH AND FOREIGN SOCIETY

Judge Blaiklock Here From Old
Country to Investigate
Seamen's Institutes

To investigate the relationship between the British and Foreign Sailors Society and the Navy League of Canada, Judge George Blaiklock, a prominent British barrister, is on tour and is now in Victoria, having arrived on Saturday. He is a special commissioner to visit each of the Canadian branches and endeavor to secure a working basis between the organizations. The object is not to absorb a local branch in the Navy League local organization, but to co-operate together without consolidation.

Judge Blaiklock will meet the local advisory board of the Navy League at 214 Penberthy Building, at 8:30 o'clock on Thursday evening. The present administration of the two institutes here is conducted in this way for the Sailor's Society, and thus the visit has important bearing on their future management.

Judge Blaiklock comes of a well-known Cumberland family, and for three generations has had Canadian connections, although Mr. Blaiklock himself was born in London in 1856. He was educated at the City of London College and University extension classes, making a special study of Science, Literature and Education. He joined the temperance movement in 1874, and in 1877 paid his first visit to Canada. From 1882 he was engaged in lecturing and writing. He has traveled and lectured in Australia, New Zealand, the United States, Canada and South Africa, where he interviewed the late President Kruger.

He was called to the English bar in June, 1895, having been a student of Gray's Inn. Commencing practice in the Temple he was engaged in a number of leading and reported cases and with Mr. Asquith, K.C., as leader, won two important cases in the House of Lords.

Three he has contested Hammer-smith in the Liberal interest, and in 1904 was only defeated by the intervention of a Socialist candidate who split the progressive vote sufficient to let Sir William Bull in. He has rendered valuable platform service to the Liberal party for thirty years. In January, 1915, Mr. Blaiklock was appointed Recorder of Grantham, and then he retired from the bar. He took up his residence at Herne Bay, and has since held numerous offices in the County of Kent, judicial and administrative.

His whole life has been devoted to temperance and social reform. He holds several positions with leading temperance bodies, and has written extensively on the subject.

One Big Union:—The division in the Shipyards Laborers, Riggers, and Fasteners Union on the One Big Union idea continues. An effort at the meeting on Friday evening to rescind the motion adopted earlier in the week to endorse the One Big Union was ineffective. The majority favored rescinding the motion, but failed to carry the necessary two-thirds of those present. However the charter will be retained pending a settlement.

TIMBER WOLVES TO BANQUET WEDNESDAY

Will Sing Songs They Sang In
France and Training
Camps

Another function arranged by the successful 103rd Battalion Timber Wolves Club is set for Wednesday evening at the Empress Hotel, when a banquet will be held. The membership of the club formed a month or two ago is rapidly growing, and now practically embraces every member of the 103rd Battalion back from the firing line.

Wednesday's banquet will be in the nature of another re-union of the boys of the 103rd Battalion, many new members having returned from overseas, and joined the club since their return. Captain Dexter, who is acting as secretary of the club, has sent out invitations to all the men of the Battalion in Victoria of whom he has an address and makes a request that any other men in Victoria who belonged to the Battalion make an effort to be present at the dinner.

An attractive programme of musical numbers is being arranged, contributed to by members of the club possessed of the necessary talent and a few artists engaged for the occasion. General community singing of songs popular with the Battalion in the training camps and in France will also be rendered.

VICTORIA NET STARS PLAYING FOR TITLES

Journey to Mainland to Take
Part in First Tournament
Since War

Several of the stars of the tennis game in Victoria are on their way to the Mainland to take part in the Vancouver lawn tennis championship tournament, which will open on the Vancouver Club's courts to-day.

One hundred and seventy-six entries have been received. Fifty matches are scheduled for the opening day. Play will start at 10:30 o'clock each morning throughout the week, the final being scheduled for next Saturday afternoon. This will be the first championship tournament held under the auspices of the V. L. T. C. since before the war.

The Victoria Players. Miss Lawson, of Victoria, who is the present holder of the Mainland single's championship as well as the provincial title-holder is one of the local players who will take part in the tournament. Miss Ideles, Mrs. Leeming, Miss Leeming and Harold Hudson are among the other players of the Victoria club who will compete.

The Victoria club is strong in star performers at the present time, and already have had a good chance to get into good playing form as a result of tournament play.

MAINLAND BALL PLAYERS TO COME IN SEPTEMBER

At the request of Victoria League officials of Vancouver Commercial League has suggested dates for the play-off with the island winners. Secretary Charles Webber of the local organization has advised the Capitals that August 30 in Vancouver, September 1 and 2 in Victoria and September 4 in Vancouver, would be agreeable to the local league, and as Victoria has left the matter of dates with the Mainland body, the series will probably be played on those dates.

TO BATTLE FOR SOCCER CHAMPIONSHIP OF CANADA

Winnipeg, July 20.—A championship soccer final between the winners of eastern and western Canada—the fought out at Montreal early in August, is almost certain to be a climax of the Connaught cup football competition, judging from the latest manoeuvres made by the representatives of the six provinces competing in the soccer classic. After considerable wire correspondence, the following arrangements have been completed: Manitoba champions will meet Paces of New Ontario league, in Winnipeg, August 1 or 2.

British Columbia will oppose Hillhurst, champions of Alberta, at Calgary. The winners of the latter game will journey to Winnipeg to play the winners of the previous game here. This game will decide the championship of Western Canada. The champions of the west will meet the eastern champions in Montreal in the cup final, leaving Winnipeg, August 8.

SAYS ANOTHER MATCH FOR CHAMP. ARRANGED

London, July 20.—Announcement was made to-day by C. H. Cochran, a fight promoter, that it has been definitely decided to have Jack Dempsey, the world's champion heavyweight pugilist, meet the winner of the fight between Carpenter and Joe Beckett, respectively, the French and British champions, in a bout in London early next year. The date of the contest, Mr. Cochran said, will be agreed on later.

CALGARY ALL STARS LOSE EXHIBITION GAMES

Calgary, July 20.—The Vulcan ball team, composed of former Pacific Coast and Northwestern Leaguers, cleaned up on Calgary All-Stars in their exhibition series, winning 4 to 2, Friday, and 14 to 1 Saturday. Pitcher Willford, who hurled both games Saturday, only allowed the local team one hit in the evening game. Pitchers "Pep" Willford and "Emery" Webb, of the Vulcan club, have been offered big inducements to join Regina, of the Western League, but intend to remain where they are.

REPORT SAYS JACK IS HITTING THE HIGH SPOTS

San Francisco, July 21.—If Jack Dempsey, the present title holder among the heavyweights of the world, does not behave himself better than he did early yesterday morning in this city, the crown now resting jauntily on the head of William Harrison Dempsey will surely pass along to some other fellow with a willing pair of dukes.

Dempsey had a wild time after he left the Dreamland smelter Saturday night. He broke away from Manager Jack Kearns and went on a spree.

Every saloon and cafe up town was visited. Dempsey bought all the drinks and paid up several touches he had made before he became champion. Early in the morning the party went to a room on an Ellis Street hotel. Beer and whiskey flowed freely. Dempsey touched nothing but the 4½ per cent. beer, but partook of it. The health of the champion was toasted frequently.

GETS GOLF TITLE AGAIN

Omaha, Neb., July 21.—For the fourth time since the Nebraska Golf Association was organized in 1905, Sam W. Reynolds, of the Omaha Field Club, won the Nebraska State Golf Championship at the Omaha Field Club Saturday, defeating Blaine Young, his club mate, 4 up and 2 to play.

CURTAIN-RAISER TO PRECEDE COMEDY

"Kitty Clive" to Be Played Before
"Tantalizing Tommy"
at Princess Theatre

"Tantalizing Tommy," the comedy to be produced at the Princess Theatre by R. N. Hinks and company on Friday, is to be preceded by a curtain-raiser. This will take the form of a one-act comedy "Kitty Clive," from the pen of the well-known author, Frankfort Moore. This was originally played with much success by Irene Vanbrugh and a distinguished cast. Of the Georgian period, the action takes place in the days when Kitty

NOTICE

In the Supreme Court of British Columbia, in the Matter of the Estate of Ng Hong Soon (Otherwise Known as Ah Wing), Deceased.

and In the Matter of the "Administration Act."

NOTICE IS HEREBY GIVEN that under an Order granted by the Honorable Mr. Justice Morrison, dated the 10th day of July, A. D. 1919, the undersigned, was appointed Administrator of the Estate of the above named deceased.

All parties having claims against the said Estate are requested to forward particulars for the position, testimonials regarding which must be submitted with the applications.

No applications will be considered unless the applicants have special qualifications for the position, testimonials regarding which must be submitted with the applications.

R. W. BRADLEY, Acting Clerk of the Municipal Council. City Clerk's Office, July 16, 1919. No. 6450.

WILLIAM MONTEITH, Official Administrator.

LICENSE NOTICE

Under the provisions of the new Trades License By-Law 1919, William Emery Arrested As Sequel to Fatal Collision on Fort Street

Charged with manslaughter William Emery, who was the owner of the Chevrolet automobile which was involved in a fatal collision on Fort Street on Saturday evening resulting in the death of one of the occupants and severe injuries to several others, appeared in the police court before Magistrate J. H. Port, this morning. The case was remanded until Thursday morning, when the preliminary hearing will be held. Mr. Emery is out on bonds.

The latest information regarding the injuries to the occupants is as follows: Miss Gladys Coulter, teacher, aged twenty-three years, practically instantly killed by a heavy blow between the head.

Mrs. William A. Emery severely shaken up and bruised and at present confined to the Jubilee Hospital.

Miss Doris Coulter, sister of the young lady who was killed, suffered considerable shock. She is expected to leave the hospital to-morrow.

Douglas Emery, who has been an invalid for several years, was wrecked back and injured internally. It is doubtful if he may survive.

Edward W. Cook, returned soldier, badly injured about the arms and head. He was operated on yesterday afternoon. He now appears very cheerful.

William Emery slightly injured about the leg.

The little granddaughter, whom Mrs. Emery was carrying on her neck in the back seat escaped without a scratch, which was most miraculous.

Returning From Picnic.
Mr. Emery and his party were returning from a day's outing at Cadboro Bay when the accident happened. The automobile turned on to Fort Street from Lee Avenue about 7.30 o'clock and followed a street car for several feet before it was struck by a large number of people were getting on at each stop the automobile was able to make only slight progress. Douglas Emery, the invalid, complaining of feeling ill and Mr. Emery was anxious to reach his home at 1567 Gladstone Avenue as soon as possible.

On finding that he could not pass the street car, Mr. Emery decided to swing out to the right, when the street car was driving up to take an additional passenger the driver turned sharply to the right. As the car is a left-drive the passengers who were sitting on the right side of the car were thrown out of the car.

Before Mr. Emery was aware of the approaching street car, owing to his vision being blocked by the rear of the other car.

A Violent Crash.
There was a chance of passing between the cars and Mr. Emery attempted to make it, but he miscalculated the speed of the oncoming car. Just as the motor was about to pass between the cars it was violently struck by the Willows-bound street car. The impact was terrific and it is a marvel that any of the passengers escaped with their lives. Both street cars were knocked off the track. It is believed that had the cars remained on the tracks that not only the cars but all of the passengers would have been ground to pieces.

Both street cars were brought to a stop as quickly as possible and people hastened to assist the injured. Miss Gladys Coulter was in the worst condition, having a deep gash at the back of her head. She was immediately rushed to the Jubilee Hospital, but died before reaching the operating room. The other occupants were all dazed and badly bruised. They were taken to the hospital as quickly as possible, and attended to by various doctors.

The late Miss Coulter was born in Wellington, twenty-three years ago and had been teaching school at Ladysmith for the last five years. Her sister, Doris, was sixteen years of age, and both were living with their parents at 1765 Camosun Street.

All the other occupants of the car are well-known in this city. Mr. Emery has resided here for a number of years and is a widely respected resident of the Fernwood district.

Inquest To-Morrow.
Dr. Stanier, the coroner, has decided to hold an inquest to inquire into the circumstances surrounding the death of Miss Coulter. It will be held to-morrow morning at 10 o'clock at the Sands Funeral Parlors.

TWO VESSELS BRING MEN FOR VICTORIA
Melita and Cedric Had Small Parties For This District

The British Columbia Returned Soldier Commission, Parliament Buildings, has been advised by telegram from the O. C. Clearing Service, Command, Quebec, that the following party from the Melita arrived there on July 20, and left on the same date for this district:

For Victoria—Capt. R. H. Port, c/o Port, 422 Barnard Road; Lieut. S. B. Johnston, c/o Mrs. E. C. Johnston, 51 Moss Street; Lieut. R. H. Ley, c/o Geo. Heslie, 630 Dallas Road; Sgt. D. Gay, c/o Mrs. Eaton, 432 George Road; P. S. Sanford, c/o Mrs. Sanford, 14 Boyd Street; Pte. A. H. Adams, 3114 Irma Street; Pte. R. Eaton, 5 Toronto Apartments, Menzies Street; L. Cpl. W. Higgins, 837 Broughton Ave.; Cpl. H. G. Smith, 1179 Chapman Street; Pte. F. G. Stiller, 3529 Burns Street.

Cedric Party.
The Commission has also been advised by telegram from the O. C. Clearing Depot, Halifax, N. S., that the following returned soldiers from the Cedric, accompanied by their dependents, arrived there on July 19 and proceeded direct to this district by special trains on the same date:

For Victoria—Cpl. T. S. Mackie, c/o Mr. Geo. Stokes, 1605 Blanshard Street; Bdr. A. Smith, G. P. O.; Gnr. R. Lory, c/o Mrs. Geo. Goetz, 1456 Gladstone Avenue; Spr. J. Liprot, c/o Mr. M. A. Whitale, Seven Oaks P. O.; Sgt. W. R. Cook, c/o W. Schilleck, 1214 Yates Street; A. Sgt. C. W. Sollyer, c/o P. Laurie, 708 Suffolk Street, Victoria West; Pte. C. Coult, 1748 Second Street; Pte. R. M. Hughes, 3368 Douglas Street.

Five Drunks in Court.—As a sequel to the Peace celebrations five drunks appeared in the police court this morning and were fined \$5 each.

NO SEINE NETS FOR TWO YEARS, ADVICES FROM OTTAWA STATE

Although Premier Oliver took precautions to point out to the Dominion Department of Fisheries that if seine operations were recommenced by the Wallace Fisheries at Quashella Creek there would be grave risk of bloodshed, absence of the Hon. C. C. Ballantyne from the national capital has prevented definite action from being taken in the meantime.

A few days ago the white gill-net fishermen took the law into their own hands by destroying about \$3,000 worth of seine nets and seine boats, the property of the Wallace Fisheries at Smith's Inlet. And according to reports from officers of the Provincial Police, referred to in these columns previously, if the company attempts to recommence operations with seine nets the gill-net men promise even more drastic action. It was not some sort of assurance from the Department of Fisheries that the Premier sent his wire to Mr. Ballantyne.

Two Years Exempt.
In a wire this morning from the Department at Ottawa it is explained that the Fisheries Inspector for the district involved has been instructed to see that seine nets were not used after July 18. He says further, however, that no assurance of absolute discontinuance has been given save that contained in a communication to J. P. Babcock, assistant to the Provincial Commissioner of Fisheries, in which it is set forth that there will be no seine nets used at Quashella Creek during the years 1920 and 1921.

Reports from the fishermen themselves, however, go to show that Inspector of Fisheries John T. Williams, under whose jurisdiction District No. 2 comes, has told the gill-net men that each year for several years past would be the last in which seine net licenses would be issued. From information in the hands of the Provincial Department, the recent friction between the gill-net men and the Japanese seiners is the outcome of official action at Ottawa failing to implement the promises made by the Inspector from year to year.

Mr. Babcock explains that Quashella Creek leads from Smith's Inlet to Long Lake, the spawning beds for the inlet run. It is a fresh water lagoon less than half a mile in length and not more than 1,000 yards wide. The salmon enter it on the tide and assemble before entering Long Lake to spawn. Hence the drag seine net used by the Wallace Fisheries virtually empties the whole basin as effectively as in the process of stripping a trap.

All Returned Men.
As soon as the report of the recent incident reached the Attorney-General's Department steps were taken to preserve law and order in the community. At the same time the gill-net men are said to be determined to put an end to seine operations even at the risk of the full consequences of the law.

They assert that nothing short of a decision to discontinue all seine licenses will meet the case and preserve the fisheries. The desire to earn a livelihood by gill-net operations. Most of the latter are returned soldiers while

A splendid wash—EARLY!
Purity—complete cleanliness—garments that are unworn and unfaded with the wash-board rub-and-scrub done away with so the clothes are out early—that's a Sunlight Soap wash day. Good news!

SUMMER SCHOOL
A course in marine biology for the High School teachers was inaugurated at the summer school this morning, this feature being in charge of Dr. Fraser, head of the Marine Biological Station at Departure Bay. Study is made of the invertebrates, while special attention will also be paid to a study of some of the larger members of the finny tribe.

OBITUARY RECORD
The death occurred on Friday last of Johnnie Blyth, Esq., a resident of this city for the past twelve years. She was forty-four years of age and was born in Scotland. She leaves to mourn her loss a husband and one small son. The funeral has been arranged to take place from the Thomson Funeral Chapel on Tuesday at 2.30 p. m. Interment will be made at Ross Bay.

The death occurred at the residence of her daughter, Mrs. John Brethour, at Sidney, of Mrs. Jeannette Mebus, widow of the late C. F. E. Mebus. She was seventy-nine years of age, born in Dublin, Ireland, and had been a resident of this district for the past thirty-six years. She is survived by four daughters, Mrs. John Brethour, of Sidney; Miss L. A. Mebus and Mrs. W. E. Humming, of Nanaimo; Mrs. Edward Lawrenson, of Sayward, and one son, F. E. Mebus, of Central America. The funeral will take place

on Tuesday afternoon at 2.30 o'clock from the Sands Funeral Chapel. Interment will be made at Ross Bay Cemetery.

WELL-KNOWN BUILDER WAS BURIED TO-DAY
The remains of the late Thomas Catterall, of 1326 Beach Drive, Oak Bay, who died on Saturday evening, will be laid at rest in Ross Bay Cemetery to-morrow afternoon. Private services will be held at the B. C. Funeral Chapel at 2.30.

The late Mr. Catterall came to this city in 1884 and built up a very successful business as a contractor and builder. Born in Liverpool, England, he emigrated to the United States, where he lived for some time before making his home in Victoria.

Among some of the prominent buildings erected by him here are: James Dunsen's residence at Hatley Park, also his former residence at Burleigh, Craigflower Road; Gordon's Limited, Yates Street; the Girls' Central School, the residence of the late W. J. Pendray; "Westover," on Shasta Avenue for Albert Todd; T. B. Hall's residence, Rockland Avenue; the Snowden residence at the Gorge, and the Graham residence, Hillside Avenue.

Seventy-six years of age at the time of his death, the late Mr. Catterall is survived by his widow, six sons and two daughters. He was a member of Vancouver and Quadra Lodge, A. F. and A. M.

Whew! But It's Hot

Think of Wife Home Baking

HOT even for you out in the fresh air or in the cool of an office. But did you ever stop to think how much hotter it is for that little house-keeper of yours, home baking bread over a hot range? You'll admit it's not right, and you'll win her inward admiration by taking home a loaf of baker's bread.

AND don't make any guess about the loaf you are taking home. Take home the best known—equal to her own best bake—SHELLY'S 4X BREAD. You can buy it at any corner grocery store.

SHIP WENT ASHORE ON ATLANTIC COAST

"Governor Cobb, With 500 Passengers Aboard," Subsequently Floated

Yarmouth, N. S., July 21.—The steamer Governor Cobb, of the Boston and Yarmouth service, which left here Saturday with 500 passengers, bound from Yarmouth to Boston, went ashore off Green Island, about seven miles from Yarmouth light.

thick fog. There was no wind when she struck and the sea was calm.

Was Floated.
Halifax, N. S., July 21.—Dominion Atlantic railway officials announce that the steamer Governor Cobb was later floated. The passengers are remaining on board. The steamer will make her scheduled trip to Boston.

FREIGHT RATES ON PACIFIC TO JUMP

A new trans-Pacific freight schedule has been issued by the United States Shipping Board and will be effective after August 15.

The new scale will not affect the \$12 a ton rate on steel, but several commodities will be raised to a \$20 a ton rate on both measurement and weight basis.

The rate on canned goods will be \$16 per ton.

ANOTHER SHIP NOW READY FOR TRIALS

Hull 209 Will Be Tried Out Over
Parry Bay Course This
Week

Preliminary to being put through her official trials Hull 209, third of the Foundation ships to be completed at the Ogden Point outfitting plant, will enter the drydock at Esquimaux which has been reserved for the early part of this week. It is planned to give the vessel her official test on Wednesday or Thursday of this week. In order to cope with the schedule as outlined the Ogden Point plant is putting forth a gigantic effort and in the future it is planned to turn out a completed ship every eight days.

The first unit of the locally-built engines, recently delivered by Hutchinson Bros. and Co. Ltd., are being installed in Hull 219, which will be the next ship made ready for her trials. At the present time ten hulls are moored at Ogden Point, five being alongside the fitting out wharves, and the balance being tied up at Pier 2, the most recent addition to the fleet being the Victoria, launched by Mrs. J. C. McIntosh, on Friday night.

The fourth vessel to be sent afloat this month will be launched from the Point Ellice yard in about a week's time. With Hulls 207 and 218 already disposed of it is proposed to deliver two more ships during July, and should the present programme will soon be back on its original schedule.

Under adverse conditions Hull 207 averaged 11.51 knots and hampered by a 40-mile blow Hull 218 averaged 11.29 knots. Hull 209 is expected to do even better on her trials this week.

NEW YORK FRONT SCENE OF FIGHT

Melee Between Strikers and
Strikebreakers Results in
Injuries

New York, July 21.—One man was shot and probably will die and another was seriously injured, in a clash on Saturday between striking marine strikers and strikebreakers on the Brooklyn waterfront. It is said that more than a score of union men and strikebreakers were involved in the fight, in which knives and revolvers were freely used. When the police attempted to break up the fight, they were attacked by the strikebreakers and only the arrival of reserves prevented the clash from becoming more serious.

A number of strikers were arrested, one of whom is being held on a charge of assault.

DOUBLE LAUNCHING AT SEATTLE TO-DAY

Masonic Order in Charge of
Notable Event at Skinner &
Eddy's Plant

For the first time this year the Skinner & Eddy Corporation to-day staged a double launching event at Seattle.

The first of the pair of 9,500-tonners to be sent down the ways by Manager David Rodgers was the Elkridge, Skinner & Eddy's fifty-fifth ship, while the second vessel to take the water was the steamship Stanley.

The launching ceremonies were in honor of the Order of the Eastern Star, and were held at a committee from the Anchor and Arch Masonic Association of the Skinner & Eddy plant employees.

Mrs. E. C. Goebock, worthy grand

matron of the Order of the Eastern Star, acted as sponsor for the Elkridge, and Miss Josephine A. Malloy, a Seattle girl, christened the Stanley.

BLAKELY FLOATED UNDER OWN POWER

Sprung a Leak After Striking
at Waddah Island, Neah
Bay

Seattle, July 21.—After being ashore on Waddah Island, Neah Bay, for nearly seven hours, the 4,000-ton wooden steamship Blakely of the United States Shipping Board, was floated without assistance. The vessel is leaking and has taken some water in her forward hold.

The Blakely was bound from Seattle for the United Kingdom with a cargo of 1,566,840 feet of railway ties and lost her way in dense fog and smoke in the Strait of Juan de Fuca. There have been huge forest fires in the Olympic peninsula district and Seattle shipping men ventured the opinion that possibly the smoke had more to do with the stranding of the vessel than the fog.

The carrier went ashore on the east side of the island near where the steamship Watson, now the Admiral Watson, was wrecked in August, 1916, while bound from Seattle for San Francisco. The Watson was hard and fast for thirty-six hours and was floated on the second high tide after 500 tons of cargo had been lightered.

The Blakely has one of the largest cargoes of ties that has been dispatched from Puget Sound in the history of the Shipping Board. She loaded in Port Blakely and Port Ludlow and sailed from Seattle. The Blakely is a product of the yards of the Puget Sound Bridge & Dredging Company, and is the first of the 4,000-ton carriers built by that company. The vessel was launched November 7, 1918.

FUSHIMI TO REACH HEAD AT MIDNIGHT

Carrying Nearly 500 Passengers N.Y.K. Liner Will
Dock Early To-morrow

Capt. T. Iriawa, commander of the inbound N.Y.K. liner Fushimi Maru, wireless to-day that he expects to bring his ship into quarantine at midnight. The big Japanese liner will remain at anchor until daybreak, when she will be passed by Dr. Rundle Nelson, and proceed to her regular berth at the Outer Docks. Providing she is granted a clean bill of health, the ship is expected alongside about 8 o'clock to-morrow morning. The Fushimi Maru left Yokohama one day behind schedule, and is completing an average run across the Pacific. The local agents have been advised that the Fushimi Maru has a total of 436 passengers on board, including a full saloon list. The offices of the company in the Orient have been literally besieged by prospective passengers seeking cabin space to North Pacific ports. This is a situation that applies to all steamship lines operating in the trans-Pacific trade.

Big Local Cargo

The holds of the inbound Japanese ship are well filled with Oriental cargo, and it is understood that her manifest covers over 1,000 tons of freight billed to Victoria.

The Fushimi Maru is posted to sail outwards August 5, and a full complement of passengers has already been booked for her next trip to the Orient. Following in the service from the Oriental side is the liner Katori Maru, which is due to reach Victoria August 16.

FOUR NEW SHIPS FOR ADMIRAL LINE

Seattle, July 21.—Completing a successful trial trip over the regulation Puget sound course the 9,400-ton steel steamship Yaklok, built by the Seattle North Pacific Shipbuilding Company, has been accepted by the United States Shipping Board and will commence loading a cargo of flour for Europe.

The big ship, together with her sister ship, the steamship Omasuquak, built by the same concern, have been assigned to the Pacific Steamship Company as managers and operators, and under the direction of this company they will load flour at once.

The Seattle North Pacific Company also expects to deliver a third ship, the Iconium, and this vessel is also to load flour for Europe, with W. C. Dawson & Co. as operators and managers for the shipping board.

Another big steel steamship now nearing completion is the City of Spokane, built by the Skinner & Eddy Corporation, which vessel will have her trials during this week and has been assigned to the Pacific Steamship Company for management and operation. Her destination is the Orient, following the policy of the shipping board in the effort to build up American commerce in American ships in the trans-Pacific trade. The steamship West Hepburn, built by J. F. Duthie & Co., has also been assigned to the Pacific Steamship Company for the Oriental service of that concern.

DENMARK SEEKS MERCANTILE FLEET

Copenhagen Shipping Man
Here Outlines Scandinavian
Tonnage Situation

Scandinavian countries are endeavoring to meet the tonnage shortage, but unless the prices per ton can compete favorably with the cost of construction in the three northern European countries, there will not be many contracts let in the Pacific North West. This is the statement of Nels Toft, a shipping man of Copenhagen. Mr. Toft told the Times on Saturday that his firm proposed to buy three ships or so from this part of the world, and he was asked to make some recommendations on the subject, but he finds that the prices per deadweight ton do not compare with Scandinavian quotations.

This condition applies in spite of the fact that Denmark has to import the lumber and steel from other countries. Lumber reaches the northern European countries from Sweden and to a less extent from Finland. Steel, he says, has hitherto come from England, but it is expected that large quantities will in future be imported from the United States at lower quotations. Industrial operations are of course handicapped by the shortage of fuel, and in that respect American prices for coal are expected to cut into the British export coal trade to Denmark.

The character of the shipping, Mr. Toft points out, is also affected by conditions. The yards on this continent prefer standard types, whereas the Scandinavian yards will build to individual specifications. He was glad to note that a Norwegian shipbuilding concern was in business here, Den-

mark has specialized in the motor

ship, he pointed out.

Denmark, when Mr. Toft left three

weeks ago, was still on the rationing

system, and feeling the pinch experi-

enced during the war. Two parties in

the kingdom are sharply divided in the

expediency of absorbing that part of

Schleswig which is German speak-

ing. They all want the area north of

the Flensburg line, set out in the

Peace Treaty, and which is thoroughly

Danish, but doubt the advantage of

adding to the electorate several hun-

dered thousand Germans who would be

absorbed if the boundary prior to 1864

was adopted. When he left opinion

on the subject was widely divided in

Denmark.

The Secret of Minnehaha's Wondrous, Flowing Hair

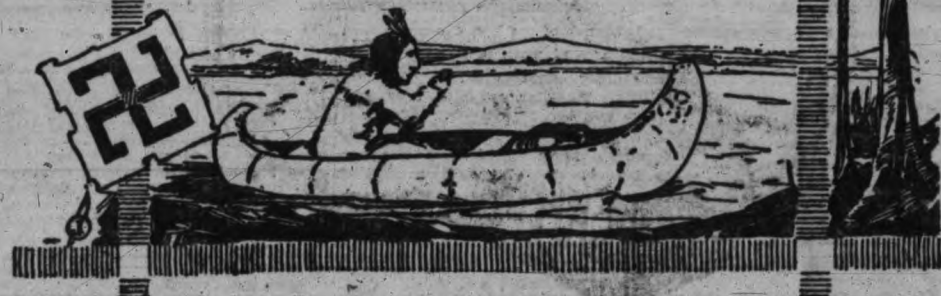

IN the days of Hiawatha, dandruff, as the
white man now knows it, was quite un-
known. Falling hair and baldness—the result
of dandruff—was never heard of, or seen. The
secret of this, being a concoction of "charm"
roots, which the Indians applied to the scalp
immediately any trouble would appear.

MAHAQUA
REG. TRADE MARK
for the Hair

IS the rediscovery of this old Indian Remedy. The
curative, active properties of these wild roots, com-
bined in a cream to be applied on retiring, making the
most unbelievable, almost miraculous cures. There is
no such thing as MAHAQUA failing. Scores of Van-
couver men and women can testify to this. For "flea
fur" hair troubles it is without equal. Sold in 50c jars.

S. C. R. OFFICIALS MAKE INSPECTION

Deputy Minister Robinson Here
With Associate
Members

Heading a party of officers of the Soldiers' Civil Re-establishment Department, F. C. Robinson, deputy minister, is now in the city. The party, which arrived in the city on Saturday morning, includes Dr. E. S. Davis, C.M.G., Acting Director of Medical Services, Capt. N. F. Parkinson, Director of Vocational Training, and Major R. W. Coulthard, Director of the Orthopaedic and surgical appliance branch of the department.

Dr. Davis is a lieutenant-colonel in the C.A.M.C. and succeeds Lt.-Col. McKelvey Bell, who recently resigned. Col. Davis will inspect the various hospitals where cases under the charge of the department are being treated. Major R. W. Coulthard is investigating the situation regarding the supply of artificial limbs, particularly the issuance of the "new arm" referred to in Dr. Jones's recent lecture here on behalf of the orthopaedic branch. The purpose of the visit is to get in touch with the work of the department on the island, and consultation with officials. This work will occupy Mr. Robinson and his colleagues during the tour.

First Visit to Coast.

This is Mr. Robinson's first visit to the coast since attaining his present rank, and it is stated that he is the youngest deputy minister in the Dominion Government service, being only about 33 years of age. Mr. Robinson attained his position as a natural promotion, however, as he was with the organization two years ago when it was still the Military Hospitals Commission. He joined the staff as chief purchasing agent and became very shortly first assistant to the director, as the officer corresponding to deputy minister was then known. He became director when the commission was departmentalized and was appointed deputy minister in January of this year.

Mr. Robinson owes his position owing to his business ability received in years of training with such big firms as the Canadian Fairbanks-Morse and others. Although it is not commonly appreciated, one of the biggest factors in administration of the department of S.C.R. is the acquiring and handling of the department's properties. At one time there were over seventy hospitals, some of them having over 500 beds, and forty of these were purchased or leased, equipped and put into operation during the twelve months of 1917. Some fifty were transferred to the militia department when the re-establishment department was made a purely civilian organization, but since then a dozen or more hos-

Here Are Appropriate New Waists for Summertime Wear Price \$2

The ones above illustrated are just \$2.00, but in fact they are worth more, worth much more when compared with prevailing Waist standards.

We say "appropriate for Summertime Wear" and we mean just that for not only did they just arrive, but it was only a few days ago that the Styles were developed.

There are many advantages in buying Blouses here always, and not the least of these is the fact that because of our closer co-operation with the makers the new styles always reach us but a very brief time after they have left the designer's studio.

Another decided advantage that we want you to remember is that you pay the identical price here for your Blouses that you would pay in the largest centres of population.

We are the exclusive distributors for this city of the celebrated Wirthmor Waists, recognized as a standard throughout the nation and sold everywhere at the same low uniform price, \$2

pitals and sanatoria have been added. Professionally trained men have been appointed to direct the vocational training and medical services of the department, but the general administration, including the enormous financial matters connected with the operation of the institutions, have been the special charge of Mr. Robinson.

TOURING ISLAND

Rev. R. G. MacBeth is on inspection of Up-Island Towns.

Rev. R. G. MacBeth, of Vancouver, author of "The Romance of Western Canada," "Our Task in Canada," and several other books, and who is well-

known as a preacher and lecturer, was in Victoria last week. He is now travelling on the E. & N. Railway, visiting various points as far as Courtenay and Alberni.
Mr. MacBeth is a Westerner, born in the early Selkirk Colony at Fort Garry and has done much in his spare time to make the various parts of Western Canada known through books, papers and magazines, as well as lectures. Some time ago he visited and did special writing on the Peace River country and advocated its linking up by rail with British Columbia. Mr. MacBeth's present trip is part of his vocation from church duties, but it is understood that he will publish the result of his observations on Vancouver Island and other parts of Brit-

ish Columbia with a view to encouraging settlers. He writes as an independent observer who has had wide experience.

Mr. MacBeth studied and practiced law before entering the ministry and while a student saw active military service in the second Riel Rebellion. His book, "The Romance of Western Canada," a first-hand history, is on the educational list in most of the provinces.

NANAIMO RED CROSS.

The Nanaimo branch of the Canadian Red Cross Society has contributed \$250 to the France's Day Fund.

This branch of the Red Cross has been doing a good work in supplying fruit and other comforts to the Qualicum Military Hospital, and intends to continue this line of activity. They are also proud of the record of one of the contributors in the district who has had four brothers at the front, one of whom had been killed, and who has knitted over 100 pairs of socks for the Red Cross.

Tree Planting Ceremony.—Dr. E. F. Toimie, M. P., planted the commemorative maple tree at Shelbourne Street on Saturday morning, in connection with the Saanich memorial. Miss Jessie Hill, of Mt. Toimie, unveiled the flag presented by the municipality, in the presence of 150 people. Dr. Toimie was accompanied by Reeve Jones. Brief speeches were made by F. A. Pauline, M. P. P.; Frank Gloima, M. P. P. and Councillor Terrell. Hymns and patriotic songs were rendered.
